SUBCHAPTER II—INDIAN SELF-DETERMINATION AND EDUCATION ASSISTANCE

§ 450. Congressional statement of findings

(a) Findings respecting historical and special legal relationship, and resultant responsibilities

The Congress, after careful review of the Federal Government's historical and special legal relationship with, and resulting responsibilities to, American Indian people, finds that—

(1) the prolonged Federal domination of Indian service programs has served to retard rather than enhance the progress of Indian people and their communities by depriving Indians of the full opportunity to develop leadership skills crucial to the realization of self-government, and has denied to the Indian people an effective voice in the planning and implementation of programs for the benefit of Indians which are responsive to the true needs of Indian communities; and

(2) the Indian people will never surrender their desire to control their relationships both among themselves and with non-Indian governments, organizations, and persons.

(b) Further findings

The Congress further finds that—

(1) true self-determination in any society of people is dependent upon an educational process which will insure the development of qualified people to fulfill meaningful leadership roles;

(2) the Federal responsibility for and assistance to education of Indian children has not effected the desired level of educational achievement or created the diverse opportunities and personal satisfaction which education can and should provide; and

(3) parental and community control of the educational process is of crucial importance to the Indian people.

Ord. No. 13175, § 9(c), Nov. 6, 2000, 65 F.R. 67251, set out below.

EX. ORD. NO. 13175. CONSULTATION AND COORDINATION WITH INDIAN TRIBAL GOVERNMENTS

Ex. Ord. No. 13175, Nov. 6, 2000, 65 F.R. 67249, provided:

By the authority vested in me as President by the Constitution and the laws of the United States of America, and in order to establish regular and meaningful consultation and collaboration with tribal officials in the development of Federal policies that have tribal implications, to strengthen the United States government-to-government relationships with Indian tribes, and to reduce the imposition of unfunded mandates upon Indian tribes; it is hereby ordered as follows:

SECTION 1. *Definitions.* For purposes of this order:

(a) "Policies that have tribal implications" refers to regulations, legislative comments or proposed legislation, and other policy statements or actions that have substantial direct effects on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

(b) "Indian tribe" means an Indian or Alaska Native tribe, band, nation, pueblo, village, or community that the Secretary of the Interior acknowledges to exist as an Indian tribe pursuant to the Federally Recognized Indian Tribe List Act of 1994, 25 U.S.C. 479a.

(c) "Agency" means any authority of the United States that is an "agency" under 44 U.S.C. 3502(1), other than those considered to be independent regulatory agencies, as defined in 44 U.S.C. 3502(5).

(d) "Tribal officials" means elected or duly appointed officials of Indian tribal governments or authorized intertribal organizations.

SEC. 2. *Fundamental Principles.* In formulating or implementing policies that have tribal implications, agencies shall be guided by the following fundamental principles:

(a) The United States has a unique legal relationship with Indian tribal governments as set forth in the Constitution of the United States, treaties, statutes, Executive Orders, and court decisions. Since the formation of the Union, the United States has recognized Indian tribes as domestic dependent nations under its protection. The Federal Government has enacted numerous statutes and promulgated numerous regulations that establish and define a trust relationship with Indian tribes.

(b) Our Nation, under the law of the United States, in accordance with treaties, statutes, Executive Orders, and judicial decisions, has recognized the right of Indian tribes to self-government. As domestic dependent nations, Indian tribes exercise inherent sovereign powers over their members and territory. The United States continues to work with Indian tribes on a government-to-government basis to address issues concerning Indian tribal self-government, tribal trust resources, and Indian tribal treaty and other rights.

(c) The United States recognizes the right of Indian tribes to self-government and supports tribal sovereignty and self-determination.

SEC. 3. *Policymaking Criteria.* In addition to adhering to the fundamental principles set forth in section 2, agencies shall adhere, to the extent permitted by law, to the following criteria when formulating and implementing policies that have tribal implications:

(a) Agencies shall respect Indian tribal self-government and sovereignty, honor tribal treaty and other rights, and strive to meet the responsibilities that arise from the unique legal relationship between the Federal Government and Indian tribal governments.

(b) With respect to Federal statutes and regulations administered by Indian tribal governments, the Federal Government shall grant Indian tribal governments the maximum administrative discretion possible.

(c) When undertaking to formulate and implement policies that have tribal implications, agencies shall:

(1) encourage Indian tribes to develop their own policies to achieve program objectives;

(2) where possible, defer to Indian tribes to establish standards; and

(3) in determining whether to establish Federal standards, consult with tribal officials as to the need

for Federal standards and any alternatives that would limit the scope of Federal standards or otherwise preserve the prerogatives and authority of Indian tribes.

SEC. 4. *Special Requirements for Legislative Proposals.* Agencies shall not submit to the Congress legislation that would be inconsistent with the policymaking criteria in Section 3.

SEC. 5. *Consultation.* (a) Each agency shall have an accountable process to ensure meaningful and timely input by tribal officials in the development of regulatory policies that have tribal implications. Within 30 days after the effective date of this order, the head of each agency shall designate an official with principal responsibility for the agency's implementation of this order. GOVERNMENT-TO-GOVERNMENT RELATIONS WITH NATIVE AMERICAN TRIBAL GOVERNMENTS

Memorandum of President of the United States, Apr. 29, 1994, 59 F.R. 22951, provided:

Memorandum for the Heads of Executive Departments and Agencies

The United States Government has a unique legal relationship with Native American tribal governments as set forth in the Constitution of the United States, treaties, statutes, and court decisions. As executive departments and agencies undertake activities affecting Native American tribal rights or trust resources, such activities should be implemented in a knowledgeable, sensitive manner respectful of tribal sovereignty. Today, as part of an historic meeting, I am outlining principles that executive departments and agencies, including every component bureau and office, are to follow in their interactions with Native American tribal governments. The purpose of these principles is to clarify our responsibility to ensure that the Federal Gov-

ernment operates within a government-to-government relationship with federally recognized Native American tribes. I am strongly committed to building a more effective day-to-day working relationship reflecting respect for the rights of self-government due the sovereign tribal governments.

In order to ensure that the rights of sovereign tribal governments are fully respected, executive branch activities shall be guided by the following:

(a) The head of each executive department and agency shall be responsible for ensuring that the department or agency operates within a government-to-government relationship with federally recognized tribal governments.

(b) Each executive department and agency shall consult, to the greatest extent practicable and to the extent permitted by law, with tribal governments prior to taking actions that affect federally recognized tribal governments. All such consultations are to be open and candid so that all interested parties may evaluate for themselves the potential impact of relevant proposals.

(c) Each executive department and agency shall assess the impact of Federal Government plans, projects, programs, and activities on tribal trust resources and assure that tribal government rights and concerns are considered during the development of such plans, projects, programs, and activities.

(d) Each executive department and agency shall take appropriate steps to remove any procedural impediments to working directly and effectively with tribal governments on activities that affect the trust property and/or governmental rights of the tribes.

(e) Each executive department and agency shall work cooperatively with other Federal departments and agencies to enlist their interest and support in cooperative efforts, where appropriate, to accomplish the goals of this memorandum.

(f) Each executive department and agency shall apply the requirements of Executive Orders Nos. 12875 ("Enhancing the Intergovernmental Partnership") [former 5 U.S.C. 601 note] and 12866 ("Regulatory Planning and Review") [5 U.S.C. 601 note] to design solutions and tailor Federal programs, in appropriate circumstances, to address specific or unique needs of tribal communities.

The head of each executive department and agency shall ensure that the department or agency's bureaus and components are fully aware of this memorandum, through publication or other means, and that they are in compliance with its requirements.

This memorandum is intended only to improve the internal management of the executive branch and is not intended to, and does not, create any right to administrative or judicial review, or any other right or benefit or trust responsibility, substantive or procedural, enforceable by a party against the United States, its agencies or instrumentalities, its officers or employees, or any other person.

The Director of the Office of Management and Budget is authorized and directed to publish this memorandum in the Federal Register.

TRIBAL CONSULTATION

Memorandum of President of the United States, Nov. 5, 2009, 74 F.R. 57881, provided:

Memorandum for the Heads of Executive Departments And Agencies

The United States has a unique legal and political relationship with Indian tribal governments, established through and confirmed by the Constitution of the United States, treaties, statutes, executive orders, and judicial decisions. In recognition of that special relationship, pursuant to Executive Order 13175 of November 6, 2000, executive departments and agencies (agencies) are charged with engaging in regular and meaningful consultation and collaboration with tribal officials in the development of Federal policies that have tribal implications, and are responsible for strengthening the government-to-government relationship between the United States and Indian tribes.

History has shown that failure to include the voices of tribal officials in formulating policy affecting their communities has all too often led to undesirable and, at times, devastating and tragic results. By contrast, meaningful dialogue between Federal officials and tribal officials has greatly improved Federal policy toward Indian tribes. Consultation is a critical ingredient of a sound and productive Federal-tribal relationship.

My Administration is committed to regular and meaningful consultation and collaboration with tribal officials in policy decisions that have tribal implications including, as an initial step, through complete and consistent implementation of Executive Order 13175. Accordingly, I hereby direct each agency head to submit to the Director of the Office of Management and Budget (OMB), within 90 days after the date of this memorandum, a detailed plan of actions the agency will take to implement the policies and directives of Executive Order 13175. This plan shall be developed after consultation by the agency with Indian tribes and tribal officials as defined in Executive Order 13175. I also direct each agency head to submit to the Director of the OMB, within 270 days after the date of this memorandum, and annually thereafter, a progress report on the status of each action included in its plan together with any proposed updates to its plan.

Each agency's plan and subsequent reports shall designate an appropriate official to coordinate implementation of the plan and preparation of progress reports required by this memorandum. The Assistant to the President for Domestic Policy and the Director of the OMB shall review agency plans and subsequent reports for consistency with the policies and directives of Executive Order 13175.

In addition, the Director of the OMB, in coordination with the Assistant to the President for Domestic Policy, shall submit to me, within 1 year from the date of this memorandum, a report on the implementation of Executive Order 13175 across the executive branch based on the review of agency plans and progress reports. Recommendations for improving the plans and making the tribal consultation process more effective, if any, should be included in this report.

The terms "Indian tribe," "tribal officials," and "policies that have tribal implications" as used in this memorandum are as defined in Executive Order 13175.

The Director of the OMB is hereby authorized and directed to publish this memorandum in the Federal Register.

This memorandum is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person. Executive departments and agencies shall carry out the provisions of this memorandum to the extent permitted by law and consistent with their statutory and regulatory authorities and their enforcement mechanisms.

BARACK OBAMA.

PART A—INDIAN SELF-DETERMINATION

§ 450f. Self-determination contracts

(a) Request by tribe; authorized programs

(1) The Secretary is directed, upon the request of any Indian tribe by tribal resolution, to enter into a self-determination contract or contracts with a tribal organization to plan, conduct, and administer programs or portions thereof, including construction programs—

(A) provided for in the Act of April 16, 1934 (48 Stat. 596), as amended [25 U.S.C. 452 et seq.];

(B) which the Secretary is authorized to administer for the benefit of Indians under the Act of November 2, 1921 (42 Stat. 208) [25 U.S.C. 13], and any Act subsequent thereto;

(C) provided by the Secretary of Health and Human Services under the Act of August 5, 1954 (68 Stat. 674), as amended [42 U.S.C. 2001 et seq.];

(D) administered by the Secretary for the benefit of Indians for which appropriations are made to agencies other than the Department of Health and Human Services or the Department of the Interior; and

(E) for the benefit of Indians because of their status as Indians without regard to the agency or office of the Department of Health and Human Services or the Department of the Interior within which it is performed.

The programs, functions, services, or activities that are contracted under this paragraph shall include administrative functions of the Department of the Interior and the Department of Health and Human Services (whichever is applicable) that support the delivery of services to Indians, including those administrative activities supportive of, but not included as part of, the service delivery programs described in this paragraph that are otherwise contractable. The administrative functions referred to in the preceding sentence shall be contractable without regard to the organizational level within the Department that carries out such functions.

(2) If so authorized by an Indian tribe under paragraph (1) of this subsection, a tribal organization may submit a proposal for a self-determination contract, or a proposal to amend or renew a self-determination contract, to the Secretary for review. Subject to the provisions of paragraph (4), the Secretary shall, within ninety days after receipt of the proposal, approve the proposal and award the contract unless the Secretary provides written notification to the applicant that contains a specific finding that clearly demonstrates that, or that is supported by a controlling legal authority that—

(A) the service to be rendered to the Indian beneficiaries of the particular program or function to be contracted will not be satisfactory;

(B) adequate protection of trust resources is not assured;

(C) the proposed project or function to be contracted for cannot be properly completed or maintained by the proposed contract;

(D) the amount of funds proposed under the contract is in excess of the applicable funding level for the contract, as determined under section 450j-1(a) of this title; or

(E) the program, function, service, or activity (or portion thereof) that is the subject of the proposal is beyond the scope of programs, functions, services, or activities covered under paragraph (1) because the proposal includes activities that cannot lawfully be carried out by the contractor.

Notwithstanding any other provision of law, the Secretary may extend or otherwise alter the 90-day period specified in the second sentence of this subsection,¹ if before the expiration of such period, the Secretary obtains the voluntary and express written consent of the tribe or tribal organization to extend or otherwise alter such period. The contractor shall include in the proposal of the contractor the standards under which the tribal organization will operate the contracted program, service, function, or activity, including in the area of construction, provisions regarding the use of licensed and qualified architects, applicable health and safety standards, adherence to applicable Federal, State, local, or tribal building codes and engineering standards. The standards referred to in the preceding sentence shall ensure structural integrity, accountability of funds, adequate competition for subcontracting under tribal or other applicable law, the commencement, performance, and completion of the contract, adherence to project plans and specifications (including any applicable Federal construction guidelines and manuals), the use of proper materials and workmanship, necessary inspection and testing, and changes, modifications, stop work, and termination of the work when warranted.

(3) Upon the request of a tribal organization that operates two or more mature self-determination contracts, those contracts may be consolidated into one single contract.

(4) The Secretary shall approve any severable portion of a contract proposal that does not support a declination finding described in para-

¹ So in original. Probably should be "paragraph."

graph (2). If the Secretary determines under such paragraph that a contract proposal—

(A) proposes in part to plan, conduct, or administer a program, function, service, or activity that is beyond the scope of programs covered under paragraph (1), or

(B) proposes a level of funding that is in excess of the applicable level determined under section 450j-1(a) of this title,

subject to any alteration in the scope of the proposal that the Secretary and the tribal organization agree to, the Secretary shall, as appropriate, approve such portion of the program, function, service, or activity as is authorized under paragraph (1) or approve a level of funding authorized under section 450j-1(a) of this title. If a tribal organization elects to carry out a severable portion of a contract proposal pursuant to this paragraph, subsection (b) of this section shall only apply to the portion of the contract that is declined by the Secretary pursuant to this subsection.

(b) Procedure upon refusal of request to contract

Whenever the Secretary declines to enter into a self-determination contract or contracts pursuant to subsection (a) of this section, the Secretary shall—

(1) state any objections in writing to the tribal organization,

(2) provide assistance to the tribal organization to overcome the stated objections, and

(3) provide the tribal organization with a hearing on the record with the right to engage in full discovery relevant to any issue raised in the matter and the opportunity for appeal on the objections raised, under such rules and regulations as the Secretary may promulgate, except that the tribe or tribal organization may, in lieu of filing such appeal, exercise the option to initiate an action in a Federal district court and proceed directly to such court pursuant to section 450m-1(a) of this title.

(c) Liability insurance; waiver of defense

(1) Beginning in 1990, the Secretary shall be responsible for obtaining or providing liability insurance or equivalent coverage, on the most cost-effective basis, for Indian tribes, tribal organizations, and tribal contractors carrying out contracts, grant agreements and cooperative agreements pursuant to this subchapter. In obtaining or providing such coverage, the Secretary shall take into consideration the extent to which liability under such contracts or agreements are covered by the Federal Tort Claims Act.

(2) In obtaining or providing such coverage, the Secretary shall, to the greatest extent practicable, give a preference to coverage underwritten by Indian-owned economic enterprises as defined in section 1452 of this title, except that, for the purposes of this subsection, such enterprises may include non-profit corporations.

(3)(A) Any policy of insurance obtained or provided by the Secretary pursuant to this subsection shall contain a provision that the insurance carrier shall waive any right it may have to raise as a defense the sovereign immunity of an Indian tribe from suit, but that such waiver shall extend only to claims the amount and na-

ture of which are within the coverage and limits of the policy and shall not authorize or empower such insurance carrier to waive or otherwise limit the tribe's sovereign immunity outside or beyond the coverage or limits of the policy of insurance.

(B) No waiver of the sovereign immunity of an Indian tribe pursuant to this paragraph shall include a waiver to the extent of any potential liability for interest prior to judgment or for punitive damages or for any other limitation on liability imposed by the law of the State in which the alleged injury occurs.

(d) Tribal organizations and Indian contractors deemed part of Public Health Service

For purposes of section 233 of title 42, with respect to claims by any person, initially filed on or after December 22, 1987, whether or not such person is an Indian or Alaska Native or is served on a fee basis or under other circumstances as permitted by Federal law or regulations for personal injury, including death, resulting from the performance prior to, including, or after December 22, 1987, of medical, surgical, dental, or related functions, including the conduct of clinical studies or investigations, or for purposes of section 2679, title 28, with respect to claims by any such person, on or after November 29, 1990, for personal injury, including death, resulting from the operation of an emergency motor vehicle, an Indian tribe, a tribal organization or Indian contractor carrying out a contract, grant agreement, or cooperative agreement under sections² 450f or 450h of this title is deemed to be part of the Public Health Service in the Department of Health and Human Services while carrying out any such contract or agreement and its employees (including those acting on behalf of the organization or contractor as provided in section 2671 of title 28 and including an individual who provides health care services pursuant to a personal services contract with a tribal organization for the provision of services in any facility owned, operated, or constructed under the jurisdiction of the Indian Health Service) are deemed employees of the Service while acting within the scope of their employment in carrying out the contract or agreement: *Provided*, That such employees shall be deemed to be acting within the scope of their employment in carrying out such contract or agreement when they are required, by reason of such employment, to perform medical, surgical, dental or related functions at a facility other than the facility operated pursuant to such contract or agreement, but only if such employees are not compensated for the performance of such functions by a person or entity other than such Indian tribe, tribal organization or Indian contractor.

(e) Burden of proof at hearing or appeal declining contract; final agency action

(1) With respect to any hearing or appeal conducted pursuant to subsection (b)(3) of this section or any civil action conducted pursuant to section 450m-1(a) of this title, the Secretary shall have the burden of proof to establish by clearly demonstrating the validity of the grounds for declining the contract proposal (or portion thereof).

² So in original. Probably should be "section".

(2) Notwithstanding any other provision of law, a decision by an official of the Department of the Interior or the Department of Health and Human Services, as appropriate (referred to in this paragraph as the “Department”) that constitutes final agency action and that relates to an appeal within the Department that is conducted under subsection (b)(3) of this section shall be made either—

(A) by an official of the Department who holds a position at a higher organizational level within the Department than the level of the departmental agency (such as the Indian Health Service or the Bureau of Indian Affairs) in which the decision that is the subject of the appeal was made; or

(B) by an administrative judge.

zation and Employees, section 2004b of Title 42, The Public Health and Welfare, section 456 of Title 50, Appendix, War and National Defense, and section 4762 of Title 42, respectively. Subsecs. (k) and (l) of section 104 of Pub. L. 93-638 are classified to section 3372 of Title 5.

PRIOR PROVISIONS

AMENDMENTS

2007—Subsec. (j). Pub. L. 110-81 amended subsec. (j) generally. Prior to amendment, text read as follows: “Anything in sections 205 and 207 of title 18 to the contrary notwithstanding, officers and employees of the United States assigned to an Indian tribe as authorized under section 3372 of title 5, or section 48 of this title and former officers and employees of the United States employed by Indian tribes may act as agents or attorneys for or appear on behalf of such tribes in connection with [sic] any matter pending before any department, agency, court, or commission, including any matter in which the United States is a party or has a direct and substantial interest: *Provided*, That each such officer or employee or former officer or employee must advise in writing the head of the department, agency, court, or commission with which he is dealing or appearing on behalf of the tribe of any personal and substantial involvement he may have had as an officer or employee of the United States in connection with the matter involved.”

1990—Subsec. (m). Pub. L. 101-301 substituted “an Indian (as defined in section 479 of this title) appointed (except temporary appointments)” for “an Indian appointed”.

1988—Subsecs. (a), (b). Pub. L. 100-472, §203(b), (c), amended subsecs. (a) and (b). See Codification note above.

Subsec. (e). Pub. L. 100-472, §203(d), (e), in introductory provisions, substituted “Notwithstanding the provisions of sections 8347(o), 8713, and 8914 of title 5” for “Notwithstanding any other law” and struck out “on or before December 31, 1988” after “title 43”, and in par. (2), inserted “or chapter 84 (‘Federal Employees Retirement System’)”. Notwithstanding directory language that the substitution of “Notwithstanding the provisions of sections 8347(o), 8713, and 8914 of title 5” be made in par. (2) of subsec. (e), the substitution was made in introductory provisions of subsec. (e) to reflect the probable intent of Congress because the language replaced appeared only in those introductory provisions.

Subsecs. (k), (l). Pub. L. 100-472, §203(f), added subsecs. (k) and (l). See Codification note above.

Subsec. (m). Pub. L. 100-472, §203(f), added subsec. (m).

§ 450j-1. Contract funding and indirect costs

(a) Amount of funds provided

(1) The amount of funds provided under the terms of self-determination contracts entered into pursuant to this subchapter shall not be less than the appropriate Secretary would have otherwise provided for the operation of the programs or portions thereof for the period covered by the contract, without regard to any organizational level within the Department of the Interior or the Department of Health and Human Services, as appropriate, at which the program, function, service, or activity or portion thereof, including supportive administrative functions that are otherwise contractable, is operated.

(2) There shall be added to the amount required by paragraph (1) contract support costs

which shall consist of an amount for the reasonable costs for activities which must be carried on by a tribal organization as a contractor to ensure compliance with the terms of the contract and prudent management, but which—

(A) normally are not carried on by the respective Secretary in his direct operation of the program; or

(B) are provided by the Secretary in support of the contracted program from resources other than those under contract.

(3)(A) The contract support costs that are eligible costs for the purposes of receiving funding under this subchapter shall include the costs of reimbursing each tribal contractor for reasonable and allowable costs of—

(i) direct program expenses for the operation of the Federal program that is the subject of the contract, and

(ii) any additional administrative or other expense related to the overhead incurred by the tribal contractor in connection with the operation of the Federal program, function, service, or activity pursuant to the contract,

except that such funding shall not duplicate any funding provided under subsection (a)(1) of this section.

(B) On an annual basis, during such period as a tribe or tribal organization operates a Federal program, function, service, or activity pursuant to a contract entered into under this subchapter, the tribe or tribal organization shall have the option to negotiate with the Secretary the amount of funds that the tribe or tribal organization is entitled to receive under such contract pursuant to this paragraph.

(4) For each fiscal year during which a self-determination contract is in effect, any savings attributable to the operation of a Federal program, function, service, or activity under a self-determination contract by a tribe or tribal organization (including a cost reimbursement construction contract) shall—

(A) be used to provide additional services or benefits under the contract; or

(B) be expended by the tribe or tribal organization in the succeeding fiscal year, as provided in section 13a of this title.

(5) Subject to paragraph (6), during the initial year that a self-determination contract is in effect, the amount required to be paid under paragraph (2) shall include startup costs consisting of the reasonable costs that have been incurred or will be incurred on a one-time basis pursuant to the contract necessary—

(A) to plan, prepare for, and assume operation of the program, function, service, or activity that is the subject of the contract; and

(B) to ensure compliance with the terms of the contract and prudent management.

(6) Costs incurred before the initial year that a self-determination contract is in effect may not be included in the amount required to be paid under paragraph (2) if the Secretary does not receive a written notification of the nature and extent of the costs prior to the date on which such costs are incurred.

(b) Reductions and increases in amount of funds provided

The amount of funds required by subsection (a) of this section—

- (1) shall not be reduced to make funding available for contract monitoring or administration by the Secretary;
- (2) shall not be reduced by the Secretary in subsequent years except pursuant to—
 - (A) a reduction in appropriations from the previous fiscal year for the program or function to be contracted;
 - (B) a directive in the statement of the managers accompanying a conference report on an appropriation bill or continuing resolution;
 - (C) a tribal authorization;
 - (D) a change in the amount of pass-through funds needed under a contract; or
 - (E) completion of a contracted project, activity, or program;
- (3) shall not be reduced by the Secretary to pay for Federal functions, including, but not limited to, Federal pay costs, Federal employee retirement benefits, automated data processing, contract technical assistance or contract monitoring;
- (4) shall not be reduced by the Secretary to pay for the costs of Federal personnel displaced by a self-determination contract; and
- (5) may, at the request of the tribal organization, be increased by the Secretary if necessary to carry out this subchapter or as provided in section 450j(c) of this title.

Notwithstanding any other provision in this subchapter, the provision of funds under this subchapter is subject to the availability of appropriations and the Secretary is not required to reduce funding for programs, projects, or activities serving a tribe to make funds available to another tribe or tribal organization under this subchapter.

(c) Annual reports

Not later than May 15 of each year, the Secretary shall prepare and submit to Congress an annual report on the implementation of this subchapter. Such report shall include—

- (1) an accounting of the total amounts of funds provided for each program and the budget activity for direct program costs and contract support costs of tribal organizations under self-determination;
- (2) an accounting of any deficiency in funds needed to provide required contract support costs to all contractors for the fiscal year for which the report is being submitted;
- (3) the indirect cost rate and type of rate for each tribal organization that has been negotiated with the appropriate Secretary;
- (4) the direct cost base and type of base from which the indirect cost rate is determined for each tribal organization;
- (5) the indirect cost pool amounts and the types of costs included in the indirect cost pool; and
- (6) an accounting of any deficiency in funds needed to maintain the preexisting level of services to any Indian tribes affected by contracting activities under this subchapter, and

a statement of the amount of funds needed for transitional purposes to enable contractors to convert from a Federal fiscal year accounting cycle, as authorized by section 450j(d) of this title.

(d) Treatment of shortfalls in indirect cost recoveries

(1) Where a tribal organization's allowable indirect cost recoveries are below the level of indirect costs that the tribal organizations should have received for any given year pursuant to its approved indirect cost rate, and such shortfall is the result of lack of full indirect cost funding by any Federal, State, or other agency, such shortfall in recoveries shall not form the basis for any theoretical over-recovery or other adverse adjustment to any future years' indirect cost rate or amount for such tribal organization, nor shall any agency seek to collect such shortfall from the tribal organization.

(2) Nothing in this subsection shall be construed to authorize the Secretary to fund less than the full amount of need for indirect costs associated with a self-determination contract.

(e) Liability for indebtedness incurred before fiscal year 1992

Indian tribes and tribal organizations shall not be held liable for amounts of indebtedness attributable to theoretical or actual under-recoveries or theoretical over-recoveries of indirect costs, as defined in Office of Management and Budget Circular A-87, incurred for fiscal years prior to fiscal year 1992.

(f) Limitation on remedies relating to cost disallowances

Any right of action or other remedy (other than those relating to a criminal offense) relating to any disallowance of costs shall be barred unless the Secretary has given notice of any such disallowance within three hundred and sixty-five days of receiving any required annual single agency audit report or, for any period covered by law or regulation in force prior to October 19, 1984, any other required final audit report. Such notice shall set forth the right of appeal and hearing to the board of contract appeals pursuant to section 450m-1 of this title. For the purpose of determining the 365-day period specified in this paragraph, an audit report shall be deemed to have been received on the date of actual receipt by the Secretary, if, within 60 days after receiving the report, the Secretary does not give notice of a determination by the Secretary to reject the single-agency report as insufficient due to noncompliance with chapter 75 of title 31 or noncompliance with any other applicable law. Nothing in this subsection shall be deemed to enlarge the rights of the Secretary with respect to section 476 of this title.

(g) Addition to contract of full amount contractor entitled; adjustment

Upon the approval of a self-determination contract, the Secretary shall add to the contract the full amount of funds to which the contractor is entitled under subsection (a) of this section, subject to adjustments for each subsequent year that such tribe or tribal organization administers a Federal program, function, service, or activity under such contract.

(h) Indirect costs for contracts for construction programs

In calculating the indirect costs associated with a self-determination contract for a construction program, the Secretary shall take into consideration only those costs associated with the administration of the contract and shall not take into consideration those moneys actually passed on by the tribal organization to construction contractors and subcontractors.

(i) Indian Health Service and Bureau of Indian Affairs budget consultations

On an annual basis, the Secretary shall consult with, and solicit the participation of, Indian tribes and tribal organizations in the development of the budget for the Indian Health Service and the Bureau of Indian Affairs (including participation of Indian tribes and tribal organizations in formulating annual budget requests that the Secretary submits to the President for submission to Congress pursuant to section 1105 of title 31).

(j) Use of funds for matching or cost participation requirements

Notwithstanding any other provision of law, a tribal organization may use funds provided under a self-determination contract to meet matching or cost participation requirements under other Federal and non-Federal programs.

(k) Allowable uses of funds without approval of Secretary

Without intending any limitation, a tribal organization may, without the approval of the Secretary, expend funds provided under a self-determination contract for the following purposes, to the extent that the expenditure of the funds is supportive of a contracted program:

- (1) Depreciation and use allowances not otherwise specifically prohibited by law, including the depreciation of facilities owned by the tribe or tribal organization.
- (2) Publication and printing costs.
- (3) Building, realty, and facilities costs, including rental costs or mortgage expenses.
- (4) Automated data processing and similar equipment or services.
- (5) Costs for capital assets and repairs.
- (6) Management studies.
- (7) Professional services, other than services provided in connection with judicial proceedings by or against the United States.
- (8) Insurance and indemnification, including insurance covering the risk of loss of or damage to property used in connection with the contract without regard to the ownership of such property.
- (9) Costs incurred to raise funds or contributions from non-Federal sources for the purpose of furthering the goals and objectives of the self-determination contract.
- (10) Interest expenses paid on capital expenditures such as buildings, building renovation, or acquisition or fabrication of capital equipment, and interest expenses on loans necessitated due to delays by the Secretary in providing funds under a contract.
- (11) Expenses of a governing body of a tribal organization that are attributable to the management or operation of programs under this subchapter.

(12) Costs associated with the management of pension funds, self-insurance funds, and other funds of the tribal organization that provide for participation by the Federal Government.

(l) Suspension, withholding, or delay in payment of funds

(1) The Secretary may only suspend, withhold, or delay the payment of funds for a period of 30 days beginning on the date the Secretary makes a determination under this paragraph to a tribal organization under a self-determination contract, if the Secretary determines that the tribal organization has failed to substantially carry out the contract without good cause. In any such case, the Secretary shall provide the tribal organization with reasonable advance written notice, technical assistance (subject to available resources) to assist the tribal organization, a hearing on the record not later than 10 days after the date of such determination or such later date as the tribal organization shall approve, and promptly release any funds withheld upon subsequent compliance.

(2) With respect to any hearing or appeal conducted pursuant to this subsection, the Secretary shall have the burden of proof to establish by clearly demonstrating the validity of the grounds for suspending, withholding, or delaying payment of funds.

(m) Use of program income earned

The program income earned by a tribal organization in the course of carrying out a self-determination contract—

- (1) shall be used by the tribal organization to further the general purposes of the contract; and
- (2) shall not be a basis for reducing the amount of funds otherwise obligated to the contract.

(n) Reduction of administrative or other responsibilities of Secretary; use of savings

To the extent that programs, functions, services, or activities carried out by tribal organizations pursuant to contracts entered into under this subchapter reduce the administrative or other responsibilities of the Secretary with respect to the operation of Indian programs and result in savings that have not otherwise been included in the amount of contract funds determined under subsection (a) of this section, the Secretary shall make such savings available for the provision of additional services to program beneficiaries, either directly or through contractors, in a manner equitable to both direct and contracted programs.

(o) Rebudgeting by tribal organization

Notwithstanding any other provision of law (including any regulation), a tribal organization that carries out a self-determination contract may, with respect to allocations within the approved budget of the contract, rebudget to meet contract requirements, if such rebudgeting would not have an adverse effect on the performance of the contract.

“(A) transferring control to tribal governments, upon tribal request, over funding and decision-making for Federal programs, services, functions, and activities, or portions thereof, is an effective way to implement the Federal policy of government-to-government relations with Indian tribes; and

“(B) transferring control to tribal governments, upon tribal request, over funding and decision-making for Federal programs, services, functions, and activities strengthens the Federal policy of Indian self-determination.”

“(1) the tribal right of self-government flows from the inherent sovereignty of Indian tribes and nations;

“(2) the United States recognizes a special government-to-government relationship with Indian tribes, including the right of the Indian tribes to self-governance, as reflected in the Constitution, treaties, Federal statutes, and the course of dealings of the United States with Indian tribes;

“(3) although progress has been made, the Federal bureaucracy, with its centralized rules and regulations, has eroded tribal self-governance and dominates tribal affairs;

“(6) Congress has reviewed the results of the Tribal Self-Governance Demonstration Project and finds that transferring full control and funding to tribal governments, upon tribal request, over decision making for Federal programs, services, functions, and activities (or portions thereof)—

“(A) is an appropriate and effective means of implementing the Federal policy of government-to-government relations with Indian tribes; and

“(B) strengthens the Federal policy of Indian self-determination.”

“(A) to enable the United States to maintain and improve its unique and continuing relationship with, and responsibility to, Indian tribes;

“(B) to permit each Indian tribe to choose the extent of its participation in self-governance in accordance with the provisions of the Indian Self-Determination and Education Assistance Act [25 U.S.C. 450 et seq.] relating to the provision of Federal services to Indian tribes;

“(C) to ensure the continuation of the trust responsibility of the United States to Indian tribes and Indian individuals;

“(E) to strengthen the government-to-government relationship between the United States and Indian tribes through direct and meaningful consultation with all tribes;

“(F) to permit an orderly transition from Federal domination of programs and services to provide Indian tribes with meaningful authority, control,

funding, and discretion to plan, conduct, redesign, and administer programs, services, functions, and activities (or portions thereof) that meet the needs of the individual tribal communities;

“(G) to provide for a measurable parallel reduction in the Federal bureaucracy as programs, services, functions, and activities (or portion thereof) are assumed by Indian tribes;

“(H) to encourage the Secretary to identify all programs, services, functions, and activities (or portions thereof) of the Department of Health and Human Services that may be managed by an Indian tribe under this Act [see Short Title of 2000 Amendments note set out under section 450 of this title] and to assist Indian tribes in assuming responsibility for such programs, services, functions, and activities (or portions thereof); and

(b) Contents

(1) In general

Each funding agreement required under subsection (a) of this section shall, as determined by the Indian tribe, authorize the Indian tribe to plan, conduct, consolidate, administer, and receive full tribal share funding, including tribal shares of discretionary Indian Health Service competitive grants (excluding congressionally earmarked competitive grants), for all programs, services, functions, and activities (or portions thereof), that are carried out for the benefit of Indians because of their status as Indians without regard to the agency or office of the Indian Health Service within which the program, service, function, or activity (or portion thereof) is performed.

(2) Inclusion of certain programs, services, functions, and activities

Such programs, services, functions, or activities (or portions thereof) include all programs, services, functions, activities (or portions thereof), including grants (which may be added to a funding agreement after an award of such grants), with respect to which Indian tribes or Indians are primary or significant beneficiaries, administered by the Department of Health and Human Services through the Indian Health Service and all local, field, service unit, area, regional, and central headquarters or national office functions so administered under the authority of—

- (2) instead of retaining a funding agreement or portion thereof under paragraph (1), negotiate a new funding agreement in a manner consistent with the requirements of this part.

(g) Stable base funding

At the option of an Indian tribe, a funding agreement may provide for a stable base budget specifying the recurring funds (including, for purposes of this provision, funds available under section 450j-1(a) of this title) to be transferred to such Indian tribe, for such period as may be specified in the funding agreement, subject to annual adjustment only to reflect changes in congressional appropriations by sub-sub activity excluding earmarks.

§ 458aaa–5. General provisions

(a) Applicability

The provisions of this section shall apply to compacts and funding agreements negotiated under this part and an Indian tribe may, at its option, include provisions that reflect such requirements in a compact or funding agreement.

(b) Conflicts of interest

Indian tribes participating in self-governance under this part shall ensure that internal measures are in place to address conflicts of interest in the administration of self-governance programs, services, functions, or activities (or portions thereof).

(c) Audits

(1) Single Agency Audit Act

The provisions of chapter 75 of title 31 requiring a single agency audit report shall apply to funding agreements under this part.

(2) Cost principles

An Indian tribe shall apply cost principles under the applicable Office of Management and Budget circular, except as modified by section 450j–1 of this title¹ other provisions of law, or by any exemptions to applicable Office of Management and Budget circulars subsequently granted by the Office of Management and Budget. No other audit or accounting standards shall be required by the Secretary. Any claim by the Federal Government against the Indian tribe relating to funds received under a funding agreement based on any audit under this subsection shall be subject to the provisions of section 450j–1(f) of this title.

(d) Records

(1) In general

Unless an Indian tribe specifies otherwise in the compact or funding agreement, records of the Indian tribe shall not be considered Federal records for purposes of chapter 5 of title 5.

(2) Recordkeeping system

The Indian tribe shall maintain a recordkeeping system, and, after 30 days advance no-

tice, provide the Secretary with reasonable access to such records to enable the Department of Health and Human Services to meet its minimum legal recordkeeping system requirements under sections 3101 through 3106 of title 44.

(e) Redesign and consolidation

An Indian tribe may redesign or consolidate programs, services, functions, and activities (or portions thereof) included in a funding agreement under section 458aaa–4 of this title and reallocate or redirect funds for such programs, services, functions, and activities (or portions thereof) in any manner which the Indian tribe deems to be in the best interest of the health and welfare of the Indian community being served, only if the redesign or consolidation does not have the effect of denying eligibility for services to population groups otherwise eligible to be served under applicable Federal law.

(f) Retrocession

An Indian tribe may retrocede, fully or partially, to the Secretary programs, services, functions, or activities (or portions thereof) included in the compact or funding agreement. Unless the Indian tribe rescinds the request for retrocession, such retrocession will become effective within the timeframe specified by the parties in the compact or funding agreement. In the absence of such a specification, such retrocession shall become effective on—

(1) the earlier of—

(A) 1 year after the date of submission of such request; or

(B) the date on which the funding agreement expires; or

(2) such date as may be mutually agreed upon by the Secretary and the Indian tribe.

(A) In general

An Indian tribe may fully or partially withdraw from a participating inter-tribal consortium or tribal organization its share of any program, function, service, or activity (or portions thereof) included in a compact or funding agreement.

(B) Effective date

The withdrawal referred to in subparagraph (A) shall become effective within the timeframe specified in the resolution which authorizes transfer to the participating tribal organization or inter-tribal consortium. In the absence of a specific timeframe set forth in the resolution, such withdrawal shall become effective on—

(i) the earlier of—

(I) 1 year after the date of submission of such request; or

(II) the date on which the funding agreement expires; or

(ii) such date as may be mutually agreed upon by the Secretary, the withdrawing Indian tribe, and the participating tribal organization or inter-tribal consortium that has signed the compact or funding agreement on behalf of the withdrawing

Indian tribe, inter-tribal consortium, or tribal organization.

(2) Distribution of funds

When an Indian tribe or tribal organization eligible to enter into a self-determination contract under part A of this subchapter or a compact or funding agreement under this part fully or partially withdraws from a participating inter-tribal consortium or tribal organization—

(A) the withdrawing Indian tribe or tribal organization shall be entitled to its tribal share of funds supporting those programs, services, functions, or activities (or portions thereof) that the Indian tribe will be carrying out under its own self-determination contract or compact and funding agreement (calculated on the same basis as the funds were initially allocated in the funding agreement of the inter-tribal consortium or tribal organization); and

(B) the funds referred to in subparagraph (A) shall be transferred from the funding agreement of the inter-tribal consortium or tribal organization, on the condition that the provisions of sections 450f and 450j(i) of this title, as appropriate, shall apply to that withdrawing Indian tribe.

(3) Regaining mature contract status

If an Indian tribe elects to operate all or some programs, services, functions, or activities (or portions thereof) carried out under a compact or funding agreement under this part through a self-determination contract under part A of this subchapter, at the option of the Indian tribe, the resulting self-determination contract shall be a mature self-determination contract.

(h) Nonduplication

For the period for which, and to the extent to which, funding is provided under this part or under the compact or funding agreement, the Indian tribe shall not be entitled to contract with the Secretary for such funds under section 450f of this title, except that such Indian tribe shall be eligible for new programs on the same basis as other Indian tribes.

(Pub. L. 93-638, title V, §506, as added Pub. L. 106-260, §4, Aug. 18, 2000, 114 Stat. 717.)

§ 458aaa-6. Provisions relating to the Secretary

(a) Mandatory provisions

(1) Health status reports

Compacts or funding agreements negotiated between the Secretary and an Indian tribe shall include a provision that requires the Indian tribe to report on health status and service delivery—

(A) to the extent such data is not otherwise available to the Secretary and specific funds for this purpose are provided by the Secretary under the funding agreement; and

(B) if such reporting shall impose minimal burdens on the participating Indian tribe and such requirements are promulgated under section 458aaa-16 of this title.

(2) Reassumption

(A) In general

Compacts or funding agreements negotiated between the Secretary and an Indian tribe shall include a provision authorizing the Secretary to reassume operation of a program, service, function, or activity (or portions thereof) and associated funding if there is a specific finding relative to that program, service, function, or activity (or portion thereof) of—

(i) imminent endangerment of the public health caused by an act or omission of the Indian tribe, and the imminent endangerment arises out of a failure to carry out the compact or funding agreement; or

(ii) gross mismanagement with respect to funds transferred to a tribe by a compact or funding agreement, as determined by the Secretary in consultation with the Inspector General, as appropriate.

(B) Prohibition

The Secretary shall not reassume operation of a program, service, function, or activity (or portions thereof) unless—

(i) the Secretary has first provided written notice and a hearing on the record to the Indian tribe; and

(ii) the Indian tribe has not taken corrective action to remedy the imminent endangerment to public health or gross mismanagement.

(C) Exception

(i) In general

Notwithstanding subparagraph (B), the Secretary may, upon written notification to the Indian tribe, immediately reassume operation of a program, service, function, or activity (or portion thereof) if—

(I) the Secretary makes a finding of imminent substantial and irreparable endangerment of the public health caused by an act or omission of the Indian tribe; and

(II) the endangerment arises out of a failure to carry out the compact or funding agreement.

(ii) Reassumption

If the Secretary reassumes operation of a program, service, function, or activity (or portion thereof) under this subparagraph, the Secretary shall provide the Indian tribe with a hearing on the record not later than 10 days after such reassumption.

(D) Hearings

In any hearing or appeal involving a decision to reassume operation of a program, service, function, or activity (or portion thereof), the Secretary shall have the burden of proof of demonstrating by clear and convincing evidence the validity of the grounds for the reassumption.

(b) Final offer

In the event the Secretary and a participating Indian tribe are unable to agree, in whole or in part, on the terms of a compact or funding agreement (including funding levels), the Indian

tribe may submit a final offer to the Secretary. Not more than 45 days after such submission, or within a longer time agreed upon by the Indian tribe, the Secretary shall review and make a determination with respect to such offer. In the absence of a timely rejection of the offer, in whole or in part, made in compliance with subsection (c) of this section, the offer shall be deemed agreed to by the Secretary.

(c) Rejection of final offers

(1) In general

If the Secretary rejects an offer made under subsection (b) of this section (or one or more provisions or funding levels in such offer), the Secretary shall provide—

(A) a timely written notification to the Indian tribe that contains a specific finding that clearly demonstrates, or that is supported by a controlling legal authority, that—

(i) the amount of funds proposed in the final offer exceeds the applicable funding level to which the Indian tribe is entitled under this part;

(ii) the program, function, service, or activity (or portion thereof) that is the subject of the final offer is an inherent Federal function that cannot legally be delegated to an Indian tribe;

(iii) the Indian tribe cannot carry out the program, function, service, or activity (or portion thereof) in a manner that would not result in significant danger or risk to the public health; or

(iv) the Indian tribe is not eligible to participate in self-governance under section 458aaa-2 of this title;

(B) technical assistance to overcome the objections stated in the notification required by subparagraph (A);

(C) the Indian tribe with a hearing on the record with the right to engage in full discovery relevant to any issue raised in the matter and the opportunity for appeal on the objections raised, except that the Indian tribe may, in lieu of filing such appeal, directly proceed to initiate an action in a Federal district court pursuant to section 450m-1(a) of this title; and

(D) the Indian tribe with the option of entering into the severable portions of a final proposed compact or funding agreement, or provision thereof, (including a lesser funding amount, if any), that the Secretary did not reject, subject to any additional alterations necessary to conform the compact or funding agreement to the severed provisions.

(2) Effect of exercising certain option

If an Indian tribe exercises the option specified in paragraph (1)(D), that Indian tribe shall retain the right to appeal the Secretary's rejection under this section, and subparagraphs (A), (B), and (C) of that paragraph shall only apply to that portion of the proposed final compact, funding agreement, or provision thereof that was rejected by the Secretary.

(d) Burden of proof

With respect to any hearing or appeal or civil action conducted pursuant to this section, the

Secretary shall have the burden of demonstrating by clear and convincing evidence the validity of the grounds for rejecting the offer (or a provision thereof) made under subsection (b) of this section.

(e) Good faith

In the negotiation of compacts and funding agreements the Secretary shall at all times negotiate in good faith to maximize implementation of the self-governance policy. The Secretary shall carry out this part in a manner that maximizes the policy of tribal self-governance, in a manner consistent with the purposes specified in section 3 of the Tribal Self-Governance Amendments of 2000.

(f) Savings

To the extent that programs, functions, services, or activities (or portions thereof) carried out by Indian tribes under this part reduce the administrative or other responsibilities of the Secretary with respect to the operation of Indian programs and result in savings that have not otherwise been included in the amount of tribal shares and other funds determined under section 458aaa-7(c) of this title, the Secretary shall make such savings available to the Indian tribes, inter-tribal consortia, or tribal organizations for the provision of additional services to program beneficiaries in a manner equitable to directly served, contracted, and compacted programs.

(g) Trust responsibility

The Secretary is prohibited from waiving, modifying, or diminishing in any way the trust responsibility of the United States with respect to Indian tribes and individual Indians that exists under treaties, Executive orders, other laws, or court decisions.

(h) Decisionmaker

A decision that constitutes final agency action and relates to an appeal within the Department of Health and Human Services conducted under subsection (c) of this section shall be made either—

- (1) by an official of the Department who holds a position at a higher organizational level within the Department than the level of the departmental agency in which the decision that is the subject of the appeal was made; or
- (2) by an administrative judge.

Section 3 of the Tribal Self-Governance Amendments of 2000, referred to in subsec. (e), is section 3 of Pub. L. 106-260, which is set out as a note under section 458aaa of this title.

§ 458aaa-7. Transfer of funds

(a) In general

Pursuant to the terms of any compact or funding agreement entered into under this part, the Secretary shall transfer to the Indian tribe all funds provided for in the funding agreement, pursuant to subsection (c) of this section, and provide funding for periods covered by joint resolution adopted by Congress making continuing

appropriations, to the extent permitted by such resolutions. In any instance where a funding agreement requires an annual transfer of funding to be made at the beginning of a fiscal year, or requires semiannual or other periodic transfers of funding to be made commencing at the beginning of a fiscal year, the first such transfer shall be made not later than 10 days after the apportionment of such funds by the Office of Management and Budget to the Department, unless the funding agreement provides otherwise.

(b) Multiyear funding

The Secretary is authorized to employ, upon tribal request, multiyear funding agreements. References in this part to funding agreements shall include such multiyear funding agreements.

(c) Amount of funding

The Secretary shall provide funds under a funding agreement under this part in an amount equal to the amount that the Indian tribe would have been entitled to receive under self-determination contracts under this subchapter, including amounts for direct program costs specified under section 450j-1(a)(1) of this title and amounts for contract support costs specified under section 450j-1(a) (2), (3), (5), and (6) of this title, including any funds that are specifically or functionally related to the provision by the Secretary of services and benefits to the Indian tribe or its members, all without regard to the organizational level within the Department where such functions are carried out.

(d) Prohibitions

(1) In general

Except as provided in paragraph (2), the Secretary is expressly prohibited from—

(A) failing or refusing to transfer to an Indian tribe its full share of any central, headquarters, regional, area, or service unit office or other funds due under this subchapter, except as required by Federal law;

(B) withholding portions of such funds for transfer over a period of years; and

(C) reducing the amount of funds required under this subchapter—

(i) to make funding available for self-governance monitoring or administration by the Secretary;

(ii) in subsequent years, except pursuant to—

(I) a reduction in appropriations from the previous fiscal year for the program or function to be included in a compact or funding agreement;

(II) a congressional directive in legislation or accompanying report;

(III) a tribal authorization;

(IV) a change in the amount of pass-through funds subject to the terms of the funding agreement; or

(V) completion of a project, activity, or program for which such funds were provided;

(iii) to pay for Federal functions, including Federal pay costs, Federal employee retirement benefits, automated data processing, technical assistance, and monitoring of activities under this subchapter; or

(iv) to pay for costs of Federal personnel displaced by self-determination contracts under this subchapter or self-governance;

(2) Exception

The funds described in paragraph (1)(C) may be increased by the Secretary if necessary to carry out this subchapter or as provided in section 450j(c)(2) of this title.

(e) Other resources

In the event an Indian tribe elects to carry out a compact or funding agreement with the use of Federal personnel, Federal supplies (including supplies available from Federal warehouse facilities), Federal supply sources (including lodging, airline transportation, and other means of transportation including the use of interagency motor pool vehicles) or other Federal resources (including supplies, services, and resources available to the Secretary under any procurement contracts in which the Department is eligible to participate), the Secretary shall acquire and transfer such personnel, supplies, or resources to the Indian tribe.

(f) Reimbursement to Indian Health Service

With respect to functions transferred by the Indian Health Service to an Indian tribe, the Indian Health Service shall provide goods and services to the Indian tribe, on a reimbursable basis, including payment in advance with subsequent adjustment. The reimbursements received from those goods and services, along with the funds received from the Indian tribe pursuant to this part, may be credited to the same or subsequent appropriation account which provided the funding, such amounts to remain available until expended.

(g) Prompt Payment Act

Chapter 39 of title 31 shall apply to the transfer of funds due under a compact or funding agreement authorized under this part.

(h) Interest or other income on transfers

An Indian tribe is entitled to retain interest earned on any funds paid under a compact or funding agreement to carry out governmental or health purposes and such interest shall not diminish the amount of funds the Indian tribe is authorized to receive under its funding agreement in the year the interest is earned or in any subsequent fiscal year. Funds transferred under this part shall be managed using the prudent investment standard.

(i) Carryover of funds

All funds paid to an Indian tribe in accordance with a compact or funding agreement shall remain available until expended. In the event that an Indian tribe elects to carry over funding from 1 year to the next, such carryover shall not diminish the amount of funds the Indian tribe is authorized to receive under its funding agreement in that or any subsequent fiscal year.

(j) Program income

All Medicare, Medicaid, or other program income earned by an Indian tribe shall be treated as supplemental funding to that negotiated in the funding agreement. The Indian tribe may retain all such income and expend such funds in

the current year or in future years except to the extent that the Indian Health Care Improvement Act (25 U.S.C. 1601 et seq.) provides otherwise for Medicare and Medicaid receipts. Such funds shall not result in any offset or reduction in the amount of funds the Indian tribe is authorized to receive under its funding agreement in the year the program income is received or for any subsequent fiscal year.

(k) Limitation of costs

An Indian tribe shall not be obligated to continue performance that requires an expenditure of funds in excess of the amount of funds transferred under a compact or funding agreement. If at any time the Indian tribe has reason to believe that the total amount provided for a specific activity in the compact or funding agreement is insufficient the Indian tribe shall provide reasonable notice of such insufficiency to the Secretary. If the Secretary does not increase the amount of funds transferred under the funding agreement, the Indian tribe may suspend performance of the activity until such time as additional funds are transferred.

§ 458aaa-8. Construction projects

(a) In general

Indian tribes participating in tribal self-governance may carry out construction projects under this part if they elect to assume all Federal responsibilities under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.), the National Historic Preservation Act (16 U.S.C. 470 et seq.), and related provisions of law that would apply if the Secretary were to undertake a construction project, by adopting a resolution—

(1) designating a certifying officer to represent the Indian tribe and to assume the status of a responsible Federal official under such laws; and

(2) accepting the jurisdiction of the Federal court for the purpose of enforcement of the responsibilities of the responsible Federal official under such environmental laws.

(b) Negotiations

Construction project proposals shall be negotiated pursuant to the statutory process in section 450j(m) of this title and resulting construction project agreements shall be incorporated into funding agreements as addenda.

(c) Codes and standards

The Indian tribe and the Secretary shall agree upon and specify appropriate building codes and

architectural and engineering standards (including health and safety) which shall be in conformity with nationally recognized standards for comparable projects.

(d) Responsibility for completion

The Indian tribe shall assume responsibility for the successful completion of the construction project in accordance with the negotiated construction project agreement.

(e) Funding

Funding for construction projects carried out under this part shall be included in funding agreements as annual advance payments, with semiannual payments at the option of the Indian tribe. Annual advance and semiannual payment amounts shall be determined based on mutually agreeable project schedules reflecting work to be accomplished within the advance payment period, work accomplished and funds expended in previous payment periods, and the total prior payments. The Secretary shall include associated project contingency funds with each advance payment installment. The Indian tribe shall be responsible for the management of the contingency funds included in funding agreements.

(f) Approval

The Secretary shall have at least one opportunity to approve project planning and design documents prepared by the Indian tribe in advance of construction of the facilities specified in the scope of work for each negotiated construction project agreement or amendment thereof which results in a significant change in the original scope of work. The Indian tribe shall provide the Secretary with project progress and financial reports not less than semiannually. The Secretary may conduct on-site project oversight visits semiannually or on an alternate schedule agreed to by the Secretary and the Indian tribe.

(g) Wages

All laborers and mechanics employed by contractors and subcontractors (excluding tribes and tribal organizations) in the construction, alteration, or repair, including painting or decorating of a building or other facilities in connection with construction projects funded by the United States under this subchapter shall be paid wages at not less than those prevailing wages on similar construction in the locality as determined by the Secretary of Labor in accordance with sections 3141-3144, 3146, and 3147 of title 40. With respect to construction alteration, or repair work to which sections 3141-3144, 3146, and 3147 of title 40 are applicable under this section, the Secretary of Labor shall have the authority and functions set forth in the Reorganization Plan numbered 14, of 1950, and section 3145 of title 40.

§ 564w-1. Klamath Indian Forest and Klamath Marsh

Notwithstanding the provisions of sections 564d and 564e of this title, and all Acts amendatory thereof—

(a) Designation of boundaries

The tribal lands that comprise the Klamath Indian Forest, and the tribal lands that comprise the Klamath Marsh, shall be designated by the Secretary of the Interior and the Secretary of Agriculture, jointly.

(b) Sales; terms and conditions

The portion of the Klamath Indian Forest that is selected for sale pursuant to section 564d(a)(3) of this title to pay members who withdraw from the tribe shall be offered for sale by the Secretary of the Interior in appropriate units, on the basis of competitive bids, to any purchaser or purchasers who agree to manage the forest lands as far as practicable according to sustained yield procedures so as to furnish a continuous supply of timber according to plans to be prepared and submitted by them for approval and inclusion in the conveyancing instruments in accordance with specifications and requirements referred to in the invitations for bids: *Provided*, That no sale shall be for a price that is less than the realization value of the units involved determined as provided in subsection (c) of this section. The terms and conditions of the sales shall be prescribed by the Secretary. The specifications and minimum requirements to be included in the invitations for bids, and the determination of appropriate units for sale, shall be developed and made jointly by the Secretary of the Interior and the Secretary of Agriculture. Such plans when prepared by the purchaser shall include provisions for the conservation of soil and water resources as well as for the management of the timber resources as hereinbefore set forth in this section. Such plans shall be satisfactory to and have the approval of the Secretary of Agriculture as complying with the minimum standards included in said specifications and requirements before the prospective purchaser shall be entitled to have his bid considered by the Secretary of the Interior and the failure on the part of the purchaser to prepare and submit a satisfactory

plan to the Secretary of Agriculture shall constitute grounds for rejection of such bid. Such plans shall be incorporated as conditions in the conveyancing instruments executed by the Secretary and shall be binding on the grantee and all successors in interest. The conveyancing instruments shall provide for a forfeiture and a reversion of title to the lands to the United States, not in trust for or subject to Indian use, in the event of a breach of such conditions. The purchase price paid by the grantee shall be deemed to represent the full appraised fair market value of the lands, undiminished by the right of reversion retained by the United States in a nontrust status, and the retention of such right of reversion shall not be the basis for any claim against the United States. The Secretary of Agriculture shall be responsible for enforcing such conditions. Upon any reversion of title pursuant to this subsection, the lands shall become national forest lands subject to the laws that are applicable to lands acquired pursuant to the Act of March 1, 1911 (36 Stat. 961), as amended.

(c) Appraisals; notice to Congressional committees; appropriation; realization value; report to Congressional committees

Within sixty days after August 23, 1958 the Secretary of the Interior shall contract by negotiation with three qualified appraisers or three qualified appraisal organizations for a review of the appraisal approved by the Secretary pursuant to section 564d(a)(2) of this title. In such review full consideration shall be given to all reasonably ascertainable elements of land, forest, and mineral values. Not less than thirty days before executing such contracts the Secretary shall notify the chairman of the House Committee on Interior and Insular Affairs and the chairman of the Senate Committee on Interior and Insular Affairs of the names and addresses of the appraisers selected. The cost of the appraisal review shall be paid from tribal funds which are made available for such purpose, subject to full reimbursement by the United States, and the appropriation of funds for that purpose is authorized. Upon the basis of a review of the appraisal heretofore made of the forest units and marsh lands involved and such other materials as may be readily available, including additional market data since the date of the prior appraisal, but without making any new and independent appraisal, each appraiser shall estimate the fair market value of such forest units and marsh lands as if they had been offered for sale on a competitive market without limitation on use during the interval between the adjournment of the Eighty-fifth Congress and the termination date specified in section 564e(b) of this title. This value shall be known as the realization value. If the three appraisers are not able to agree on the realization value of such forest units and marsh lands, then such realization values shall be determined by averaging the values estimated by each appraiser. The Secretary shall report such realization values to the chairman of the House Committee on Interior and Insular Affairs and to the chairman of the Senate Com-

mittee on Interior and Insular Affairs not later than January 15, 1959. No sale of forest units that comprise the Klamath Indian Forest designated pursuant to subsection (a) of this section shall be made under the provisions of this subchapter prior to April 1, 1959.

(d) Unsold forest units and marsh lands; title after publication in Federal Register; aggregate realization value; appropriation

If all of the forest units offered for sale in accordance with subsection (b) of this section are not sold before April 1, 1961, the Secretary of Agriculture shall publish in the Federal Register a proclamation taking title in the name of the United States to as many of the unsold units or parts thereof as have, together with the Klamath Marsh lands acquired pursuant to subsection (f) of the section, an aggregate realization value of not to exceed \$90,000,000, which shall be the maximum amount payable for lands acquired by the United States pursuant to this subchapter. Compensation for the forest lands so taken shall be the realization value of the lands determined as provided in subsection (c) of this section, unless a different amount is provided by law enacted prior to the proclamation of the Secretary of Agriculture. Appropriation of funds for that purpose is authorized. Payment shall be made as soon as possible after the proclamation of the Secretary of Agriculture. Such lands shall become national forest lands subject to the laws that are applicable to lands acquired pursuant to the Act of March 1, 1911 (36 Stat. 961), as amended. Any of the forest units that are offered for sale and that are not sold or taken pursuant to subsection (b) or (d) of this section shall be subject to sale without limitation on use in accordance with the provisions of section 564d of this title.

(e) Sale of retained lands to Secretary of Agriculture

If at any time any of the tribal lands that comprise the Klamath Indian Forest and that are retained by the tribe are offered for sale other than to members of the tribe, such lands shall first be offered for sale to the Secretary of Agriculture, who shall be given a period of twelve months after the date of each such offer within which to purchase such lands. No such lands shall be sold at a price below the price at which they have been offered for sale to the Secretary of Agriculture, and if such lands are reoffered for sale they shall first be reoffered to the Secretary of Agriculture. The Secretary of Agriculture is authorized to purchase such lands subject to such terms and conditions as to the use thereof as he may deem appropriate, and any lands so acquired shall thereupon become national forest lands subject to the laws that are applicable to lands acquired pursuant to the Act of March 1, 1911 (36 Stat. 961), as amended.

(f) Klamath Marsh National Wildlife Refuge; appropriation

The lands that comprise the Klamath Marsh shall be a part of the property selected for sale pursuant to section 564d(a)(3) of this title to pay members who withdraw from the tribe.

Title to such lands is taken in the name of the United States, effective the earliest date after September 30, 1959, when the Secretary of the Interior determines that funds for the payment of the purchase price are available from the sale of stamps under the Migratory Bird Hunting Stamp Act of March 16, 1934, as amended [16 U.S.C. 718 et seq.]. Such lands are designated as the Klamath Marsh National Wildlife Refuge, which shall be administered in accordance with the law applicable to areas acquired pursuant to section 4 of the Act of March 16, 1934 (48 Stat. 451), as amended or supplemented [16 U.S.C. 718d]. Compensation for said taking shall be the realization value of the lands determined in accordance with subsection (c) of this section, and shall be paid out of funds in the Treasury of the United States, which are authorized to be appropriated for that purpose.

(g) Homesites

Any person whose name appears on the final roll of the tribe, and who has since December 31, 1956, continuously resided on any lands taken by the United States by subsections (d) and (f) of this section, shall be entitled to occupy and use as a homesite for his lifetime a reasonable acreage of such lands, as determined by the Secretary of Agriculture, subject to such regulations as the Secretary of Agriculture may issue to safeguard the administration of the national forest and as the Secretary of the Interior may issue to safeguard the administration of the Klamath Marsh National Wildlife Refuge.

(h) Administration of outstanding timber sales contracts

If title to any of the lands comprising the Klamath Indian Forest is taken by the United States, the administration of any outstanding timber sales contracts thereon entered into by the Secretary of the Interior as trustee for the Klamath Indians shall be administered by the Secretary of Agriculture.

(i) Right of United States to use roads

All sales of tribal lands pursuant to subsection (b) of this section or pursuant to section 564d of this title on which roads are located shall be made subject to the right of the United States and its assigns to maintain and use such roads.

“(a) IN GENERAL.—

“(1) WATER RIGHTS.—Subject to the other provisions of this section, newly acquired trust lands shall have only the following water rights:

“(A) The right to the reasonable use of groundwater pumped from such lands.

“(B) All rights to the use of surface water on such lands existing under State law on the date of acquisition, with the priority date of such right under State law.

“(C) The right to make any further beneficial use on such lands of surface water which is unappropriated on the date each parcel of newly acquired trust lands is taken into trust. The priority date for the right shall be the date the lands are taken into trust.

“(2) RIGHTS NOT SUBJECT TO FORFEITURE OR ABANDONMENT.—The Tribe’s water rights for newly acquired trust lands shall not be subject to forfeiture or abandonment arising from events occurring after the date the lands are taken into trust.

“(b) RECOGNITION AS VALID USES.—

“(1) GROUNDWATER.—With respect to water rights associated with newly acquired trust lands, the Tribe, and the United States on the Tribe’s behalf, shall recognize as valid all uses of groundwater which may be made from wells (or their subsequent replacements) in existence on the date each parcel of newly acquired trust land is acquired and shall not object to such groundwater uses on the basis of water rights associated with the newly acquired trust lands. The Tribe, and the United States on the Tribe’s behalf, may object only to the impact of groundwater uses on newly acquired trust lands which are initiated after the date the lands affected are taken into trust and only on grounds allowed by the State law as it exists when the objection is made. The Tribe, and the United States on the Tribe’s behalf, shall not object to the impact of groundwater uses on the Tribe’s right to surface water established pursuant to subsection (a)(1)(C) when those groundwater uses are initiated before the Tribe initiates its beneficial use of surface water pursuant to subsection (a)(1)(C).

“(2) SURFACE WATER.—With respect to water rights associated with newly acquired trust lands, the Tribe, and the United States on the Tribe’s behalf, shall recognize as valid all uses of surface water in existence on or prior to the date each parcel of newly acquired trust land is acquired and shall not object to such surface water uses on the basis of water rights associated with the newly acquired trust lands, but shall have the right to enforce the priority of its rights against all junior water rights the exercise of which interfere with the actual use of the Tribe’s senior surface water rights.

“(3) RULE OF CONSTRUCTION.—Nothing in paragraph (1) or (2) shall preclude the Tribe, or the United States on the Tribe’s behalf, from asserting objections to water rights and uses on the basis of the

Tribe’s water rights on its currently existing trust lands.

“(c) APPLICABILITY OF STATE LAW ON LANDS OTHER THAN NEWLY ACQUIRED LANDS.—The Tribe, and the United States on the Tribe’s behalf, further recognize that State law applies to water uses on lands, including subsurface estates, that exist within the exterior boundaries of newly acquired trust lands and that are owned by any party other than the Tribe.

“(d) ADJUDICATION OF WATER RIGHTS ON NEWLY ACQUIRED TRUST LANDS.—The Tribe’s water rights on newly acquired trust lands shall be adjudicated with the rights of all other competing users in the court now presiding over the Little Colorado River Adjudication, or if that court no longer has jurisdiction, in the appropriate State or Federal court. Any controversies between or among users arising under Federal or State law involving the Tribe’s water rights on newly acquired trust lands shall be resolved in the court now presiding over the Little Colorado River Adjudication, or, if that court no longer has jurisdiction, in the appropriate State or Federal court. Nothing in this subsection shall be construed to affect any court’s jurisdiction: *Provided*, That the Tribe shall administer all water rights established in subsection (a).

“(e) PROHIBITION.—Water rights for newly acquired trust lands shall not be used, leased, sold, or transported for use off of such lands or the Tribe’s other trust lands: *Provided*, That the Tribe may agree with other persons having junior water rights to subordinate the Tribe’s senior water rights. Water rights for newly acquired trust lands can only be used on those lands or other trust lands of the Tribe located within the same river basin tributary to the main stream of the Colorado River.

“(f) SUBSURFACE INTERESTS.—On any newly acquired trust lands where the subsurface interest is owned by any party other than the Tribe, the trust status of the surface ownership shall not impair any existing right of the subsurface owner to develop the subsurface interest and to have access to the surface for the purpose of such development.

“(g) STATUTORY CONSTRUCTION WITH RESPECT TO WATER RIGHTS OF OTHER FEDERALLY RECOGNIZED INDIAN TRIBES.—Nothing in this section shall affect the water rights of any other federally recognized Indian tribe with a priority date earlier than the date the newly acquired trust lands are taken into trust.

“(h) STATUTORY CONSTRUCTION.—Nothing in this section shall be construed to determine the law applicable to water use on lands owned by the United States, other than on the newly acquired trust lands. The granting of the right to make beneficial use of unappropriated surface water on the newly acquired trust lands with a priority date such lands are taken into trust shall not be construed to imply that such right is a Federal reserved water right. Nothing in this section or any other provision of this Act shall be construed to establish any Federal reserved right to groundwater. Authority for the Secretary to take land into trust for the Tribe pursuant to the Settlement Agreement and this Act shall be construed as having been provided solely by the provisions of this Act.”

The provisions of the agreement shall be reviewed by the District Court, modified where necessary, and put into effect immediately thereafter.

(b) Partial agreement

If, within the one hundred and eighty day period referred to in subsection (a) of this section, a partial agreement has been reached between the tribes and they wish such partial agreement to go into effect, they shall follow the procedure set forth in subsection (a) of this section. The partial agreement shall then be considered by the Mediator in preparing his report, and the District Court in making a final adjudication, pursuant to section 640d-3 of this title.

(c) Consistency with existing law

For the purpose of this section, the negotiating teams may make any provision in the agreement or partial agreement not inconsistent with existing law. No such agreement or any provision in it shall result in a taking by the United States of private property compensable under the Fifth Amendment of the Constitution of the United States.

(4) which authorized the Mediator to recommend, in exceptional cases where necessary to prevent hardship, a limited tenure for residential use, not exceeding a life estate, and a phased relocation of members of one tribe from lands which may be partitioned to the other tribe in the joint use area.

§ 640d-5. Considerations and guidelines for preparation of report by Mediator and final adjudication by District Court

The Mediator in preparing his report, and the District Court in making the final adjudication, pursuant to section 640d-3 of this title, shall

consider and be guided by the decision of the Healing case, under which the tribes have joint, undivided, and equal interests in and to all of the joint use area; by any partial agreement reached by the parties under section 640d-2(b) of this title; by the last best offer for a complete settlement as a part of the negotiating process by each of the tribes; and by the following:

(a) The rights and interests, as defined in the Healing case, of the Hopi Tribe in and to that portion of the reservation established by the Executive order of December 16, 1882, which is known as land management district no. 6 (hereinafter referred to as the “Hopi Reservation”) shall not be reduced or limited in any manner.

(b) The boundary lines resulting from any partitioning of lands in the joint use area shall be established so as to include the higher density population areas of each tribe within the portion of the lands partitioned to such tribe to minimize and avoid undue social, economic, and cultural disruption insofar as practicable.

(c) In any division of the surface rights to the joint use area, reasonable provision shall be made for the use of and right of access to identified religious shrines for the members of each tribe on the reservation of the other tribe where such use and access are for religious purposes.

(d) In any partition of the surface rights to the joint use area, the lands shall, insofar as is practicable, be equal in acreage and quality: *Provided*, That if such partition results in a lesser amount of acreage, or value, or both to one tribe such differential shall be fully and finally compensable to such tribe by the other tribe. The value of the land for the purposes of this subsection shall be based on not less than its value with improvements and its grazing capacity fully restored: *Provided further*, That, in the determination of compensation for any such differential, the Federal Government shall pay any difference between the value of the particular land involved in its existing state and the value of such land in a fully restored state which results from damage to the land which the District Court finds attributable to a failure of the Federal Government to provide protection where such protection is or was required by law or by the demands of the trust relationship.

(e) Any lands partitioned to each tribe in the joint use area shall, where feasible and consistent with the other provisions of this section, be contiguous to the reservation of each such tribe.

(f) Any boundary line between lands partitioned to the two tribes in the joint use area shall, insofar as is practicable, follow terrain which will facilitate fencing or avoid the need for fencing.

(g) Any claim the Hopi Tribe may have against the Navajo Tribe for an accounting of all sums collected by the Navajo Tribe since September 17, 1957, as trader license fees or commissions, lease rental, or proceeds, or other similar charges for doing business or for damages in the use of lands within the joint use area, shall be for a one-half share in such sums.

(h) Any claim the Hopi Tribe may have against the Navajo Tribe for the determination and recovery of the fair value of the grazing and agricultural use of the lands within the joint use area by the Navajo Tribe and its individual

members, since September 28, 1962, shall be for one-half of such value.

(Pub. L. 93-531, § 6, Dec. 22, 1974, 88 Stat. 1714.)

§ 640d-6. Joint ownership and management of coal, oil, gas and other minerals within or underlying partitioned lands; division of proceeds

Partition of the surface of the lands of the joint use area shall not affect the joint ownership status of the coal, oil, gas, and all other minerals within or underlying such lands. All such coal, oil, gas, and other minerals within or underlying such lands shall be managed jointly by the two tribes, subject to supervision and approval by the Secretary as otherwise required by law, and the proceeds therefrom shall be divided between the tribes, share and share alike.

(Pub. L. 93-531, § 7, Dec. 22, 1974, 88 Stat. 1715.)

§ 640d-7. Determination of tribal rights and interests in land

(a) Authorization to commence and defend actions in District Court

Either tribe, acting through the chairman of its tribal council for and on behalf of the tribe, is each hereby authorized to commence or defend in the District Court an action against the other tribe and any other tribe of Indians claiming any interest in or to the area described in the Act of June 14, 1934, except the reservation established by the Executive Order of December 16, 1882, for the purpose of determining the rights and interests of the tribes in and to such lands and quieting title thereto in the tribes.

(b) Allocation of land to respective reservations upon determination of interests

Lands, if any, in which the Navajo Tribe or Navajo individuals are determined by the District Court to have the exclusive interest shall continue to be a part of the Navajo Reservation. Lands, if any, in which the Hopi Tribe, including any Hopi village or clan thereof, or Hopi individuals are determined by the District Court to have the exclusive interest shall thereafter be a reservation for the Hopi Tribe. Any lands in which the Navajo and Hopi Tribes or Navajo or Hopi individuals are determined to have a joint or undivided interest shall be partitioned by the District Court on the basis of fairness and equity and the area so partitioned shall be retained in the Navajo Reservation or added to the Hopi Reservation, respectively.

(c) Actions for accounting, fair value of grazing, and claims for damages to land; determination of recovery; defenses

(1) Either as a part of or in a proceeding supplementary to the action authorized in subsection (a) of this section, either tribe, through the chairman of its tribal council for and on behalf of the tribe, including all villages, clans, and individual members thereof, may prosecute or defend an action for the types of relief, including interest, specified in section 640d-17 of this title, including all subsections thereof, against the other tribe, through its tribal chairman in a like representative capacity, and against the United States as to the types of re-

covery specified in subsection (a)(3) of section 640d-17 of this title and subject to the same provisions as contained in said subsection, such action to apply to the lands in issue in the reservation established by the Act of June 14, 1934 (48 Stat. 960).

(2) In the event the Hopi Tribe or Navajo Tribe is determined to have any interest in the lands in issue, the right of either tribe to recover hereunder shall be based upon that percentage of the total sums collected, use made, waste committed, and other amounts of recovery, which is equal to the percentage of lands in issue in which either tribe is determined to have such interest.

(3) Neither laches nor the statute of limitations shall constitute a defense to such proceedings if they are either prosecuted as a part of the action authorized by this section or in a proceeding supplemental thereto, if instituted not later than twenty-four months following a final order of partition and exhaustion of appeals in an action filed pursuant to this section.

(d) Denial of Congressional interest in merits of conflicting claims; liability of United States

Nothing in this section shall be deemed to be a Congressional determination of the merits of the conflicting claims to the lands that are subject to adjudication pursuant to this section, or to affect the liability of the United States, if any, under litigation now pending before the Indian Claims Commission.

(e) Payment of legal fees, court costs and other expenses

The Secretary of the Interior is authorized to pay any or all appropriate legal fees, court costs, and other related expenses arising out of, or in connection with, the commencing of, or defending against, any action brought by the Navajo, San Juan Southern Paiute or Hopi Tribe under this section.

(f) Provision of attorney fees for San Juan Southern Paiute Tribe

(1) Any funds made available for the San Juan Southern Paiute Tribe to pay for attorney's fees shall be paid directly to the tribe's attorneys of record until such tribe is acknowledged as an Indian tribe by the United States: *Provided*, That the tribe's eligibility for such payments shall cease once a decision by the Secretary of the Interior declining to acknowledge such tribe becomes final and no longer appealable.

(2) Nothing in this subsection shall be interpreted as a congressional acknowledgement of the San Juan Southern Paiute as an Indian tribe or as affecting in any way the San Juan Southern Paiute Tribe's Petition for Recognition currently pending with the Secretary of the Interior.

(3) There is hereby authorized to be appropriated not to exceed \$250,000 to pay for the legal expenses incurred by the Southern Paiute Tribe on legal action arising under this section prior to November 16, 1988.

§ 640d-10. Resettlement lands for Navajo Tribe

(a) Transfer of lands under jurisdiction of Bureau of Land Management; State and private land exchanges; valuation; acquired private lands; lands to be held in trust

The Secretary is authorized and directed to—

(1) transfer not to exceed two hundred and fifty thousand acres of lands under the jurisdiction of the Bureau of Land Management within the State¹ of Arizona and New Mexico to the Navajo Tribe: *Provided*, That, in order to facilitate such transfer, the Secretary is authorized to exchange such lands for State or private lands of equal value or, if they are not equal, the values shall be equalized by the payment of money to the grantor or to the Secretary as the circumstances require so long as payment does not exceed 25 per centum of the total value of the lands transferred out of Federal ownership. The Secretary shall try to reduce the payment to as small an amount as possible.

(2)² on behalf of the United States, accept title to not to exceed one hundred and fifty thousand acres of private lands acquired by the Navajo Tribe. Title thereto shall be taken in the name of the United States in trust for the benefit of the Navajo Tribe as a part of the Navajo Reservation.

Subject to the provisions of the following sentences of this subsection, all rights, title and interests of the United States in the lands described in paragraph (1), including such interests the United States as lessor has in such lands under the Mineral Leasing Act of 1920, as amended [30 U.S.C. 181 et seq.], will, subject to existing leasehold interests, be transferred without cost to the Navajo Tribe and title thereto shall be taken by the United States in trust for the benefit of the Navajo Tribe as a part of the Navajo Reservation. So long as selected lands coincide with pending noncompetitive coal lease applications under the Mineral Leasing Act of 1920, as amended, the Secretary may not transfer any United States interests in such lands until the noncompetitive coal lease applications have been fully adjudicated. If such adjudication results in issuance of Federal coal leases to the applicants, such transfer shall be subject to such leases. The leaseholders rights and interests in such coal leases will in no way be diminished by the transfer of the rights, title and interests of the United States in such lands to the Navajo Tribe. If any selected lands are subject to valid claims located under the Mining Law of 1872 the transfer of the selected lands may be made subject to those claims.

(2)² Those interests in lands acquired in the State of New Mexico by the Navajo Tribe pursuant to subsection 2³ of this section shall be subject to the right of the State of New Mex-

ico to receive the same value from any sales, bonuses, rentals, royalties and interest charges from the conveyance, sale, lease, development, and production of coal as would have been received had the subsurface interest in such lands remained with the United States and been leased pursuant to the Mineral Lands Leasing Act of 1920, as amended [30 U.S.C. 181 et seq.], or any successor Act; or otherwise developed. The State's interest shall be accounted for in the same manner as it would have been if a lease had issued pursuant to the Mineral Lands Leasing Act of 1920, as amended.

(b) Proximity of lands to be transferred or acquired to Navajo Reservation; lands to be used for exchanges

A border of any parcel of land so transferred or acquired shall be within eighteen miles of the present boundary of the Navajo Reservation: *Provided*, That, except as limited by subsection (g) of this section, Bureau of Land Management lands anywhere within the States of Arizona and New Mexico may be used for the purpose of exchanging for lands within eighteen miles of the present boundary of the reservation.

(c) Selection of lands to be transferred or acquired; time period; consultation; restriction of New Mexico lands

Lands to be so transferred or acquired shall, for a period of three years after July 8, 1980, be selected by the Navajo Tribe after consultation with the Commissioner: *Provided*, That, at the end of such period, the Commissioner shall have the authority to select such lands after consultation with the Navajo Tribe: *Provided further*, That not to exceed thirty-five thousand acres of lands so transferred or acquired shall be selected within the State of New Mexico.

(d) Progress and status of land transfer program; reports to Congressional committees

The Commissioner, in consultation with the Secretary, shall within sixty days following the first year of enactment of this subsection report to the House Committee on Interior and Insular Affairs and the Senate Select Committee on Indian Affairs, on the progress of the land transfer program authorized in subsection (a) of this section. Sixty days following the second year of enactment of this subsection the Commissioner, in consultation with the Secretary, shall submit a report to the House Committee on Interior and Insular Affairs and the Senate Select Committee on Indian Affairs giving the status of the land transfer program authorized in subsection (a) of this section, making any recommendations that the Commissioner deems necessary to complete the land transfer program.

(e) Entitlement lands payments

Payments being made to any State or local government pursuant to the provisions of chapter 69 of title 31, on any lands transferred pursuant to subsection (a)(1) of this section shall continue to be paid as if such transfer had not occurred.

¹ So in original. Probably should be "States".

² So in original. Two pars. designated (2) have been enacted.

³ So in original. Probably should be "paragraph (1)".

(f) Acquisition of title to surface and subsurface interest; time period; public notice; report to Congressional committees; rights of subsurface owner

(1) For a period of three years after July 8, 1980, the Secretary shall not accept title to lands acquired pursuant to subsection (a)(2)⁴ of this section unless fee title to both surface and subsurface has been acquired or the owner of the subsurface interest consents to the acceptance of the surface interest in trust by the Secretary.

(2) If, ninety days prior to the expiration of such three year period, the full entitlement of private lands has not been acquired by the Navajo Tribe and accepted by the Secretary in trust for the Navajo Tribe under the restrictions of paragraph (1) of this subsection, the Commissioner, after public notice, shall, within thirty days, make a report thereon to the House Committee on Interior and Insular Affairs and the Senate Select Committee on Indian Affairs.

(3) In any case where the Secretary accepts, in trust, title to the surface of lands acquired pursuant to subsection (a)(2)⁴ of this section where the subsurface interest is owned by third parties, the trust status of such surface ownership and the inclusion of the land within the Navajo Reservation shall not impair any existing right of the subsurface owner to develop the subsurface interest and to have access to the surface for the purpose of such development.

(g) Lands not available for transfer

No public lands lying north and west of the Colorado River in the State of Arizona shall be available for transfer under this section.

(h) Administration of lands transferred or acquired

The lands transferred or acquired pursuant to this section shall be administered by the Commissioner until relocation under the Commission's⁵ plan is complete and such lands shall be used solely for the benefit of Navajo families residing on Hopi-partitioned lands as of December 22, 1974: *Provided*, That the sole authority for final planning decisions regarding the development of lands acquired pursuant to this subchapter shall rest with the Commissioner until such time as the Commissioner has discharged his statutory responsibility under this subchapter.

(i) Negotiations regarding land exchanges or leases

The Commissioner shall have authority to enter into negotiations with the Navajo and Hopi Tribes with a view to arranging and carrying out land exchanges or leases, or both, between such tribes; and lands which may be acquired or transferred pursuant to this section may, with the approval of the Commissioner, be included in any land exchange between the tribes authorized under section 640d-22 of this title.

(2) pay to each head of a household whose household is required to relocate pursuant to this subchapter an amount which, when added to the fair market value of the habitation and improvements purchased under subsection (a) of this section, equals the reasonable cost of a decent, safe, and sanitary replacement dwelling adequate to accommodate such household: *Provided*, That the additional payment authorized by this paragraph (2) shall not exceed \$17,000 for a household of three or less and not more than \$25,000 for a household of four or more, except that the Commissioner may, after consultation with the Secretary of Housing and Urban Development, annually increase or decrease such limitations to reflect changes in housing development and construction costs, other than costs of land, during the preceding year: *Provided further*, That the additional payment authorized by this subsection shall be made only to a head of a household required to relocate pursuant to this subchapter who purchases and occupies such replacement dwelling not later than the end of the two-year period beginning on the date on which he receives from the Commissioner final payment for the habitation and improvements purchased under subsection (a) of this section, or on the date on which such household moves from such habitation, whichever is the later date. (3) Should any head of household not make timely arrangements for relocation housing, or should any head of household elect and enter into an agreement to have the Commissioner construct or acquire a home for the household, the Commissioner may use the amounts payable with respect to such household under paragraph (2) of subsection (b) of this section and under subsection (a) of this section for the construction or acquisition (including enlargement or rehabilitation if necessary) of a home and related facilities for such household: *Provided*, That, the Commissioner may combine the funds for any number of such households into one or more accounts from which the costs of such construction or acquisition may be paid on a project basis and the funds in such account or accounts shall remain available until expended: *Provided further*, That the title to each home constructed or acquired by the Commissioner pursuant to this paragraph shall be vested in the head of the household for which it was constructed or acquired upon occupancy by such household, but this shall not preclude such home being located on land held in trust by the United States.

(e) Disposal of acquired dwellings and improvements

The Commissioner is authorized to dispose of dwellings and other improvements acquired or constructed pursuant to this subchapter in such manner, including resale of such dwellings and improvements to members of the tribe exercising jurisdiction over the area at prices no higher than the acquisition or construction costs, as best effects section 640d-7 of this title and the

order of the District Court pursuant to section 640d-2 or 640d-3 of this title.

(f) Preferential treatment for heads of households of Navajo Tribe evicted from Hopi Reservation by judicial decision; restriction

Notwithstanding any other provision of law to the contrary, the Commissioner shall on a preferential basis provide relocation assistance and relocation housing under subsections (b), (c), and (d) of this section to the head of each household of members of the Navajo Tribe who were evicted from the Hopi Indian Reservation as a consequence of the decision in the case of *United States v. (g) Appeals of eligibility determinations

Notwithstanding any other provision of law, appeals from any eligibility determination of the Relocation Commission, irrespective of the amount in controversy, shall be brought in the United States District Court for the District of Arizona.

(Aug. 27, 1954, ch. 1009, § 3, 68 Stat. 868.)

§ 677c. Transfer of members from full-blood roll to mixed-blood group; time; certification by Secretary

Any member of the tribe whose name appears on the proposed roll of full-blood members as provided in section 677g of this title and any person whose name is added to such proposed roll as the result of an appeal to the Secretary may apply to the Superintendent to become identified with and a part of the mixed-blood group: *Provided*, That such application is made within thirty days subsequent to the publication of such proposed roll or in the event of an appeal within thirty days subsequent to notification of the decision on said appeal: *And provided further*, That before such transfer is made upon the official rolls the Secretary shall first certify that, in his opinion, such change in status is not detrimental to the best interest of the person seeking such change.

(Aug. 27, 1954, ch. 1009, § 4, 68 Stat. 868.)

§ 677d. Restriction of tribe to full-blood members after publication of final rolls; non-interest of mixed-blood members; new membership

Effective on the date of publication of the final rolls as provided in section 677g of this title the tribe shall thereafter consist exclusively of full-blood members. Mixed-blood members shall have no interest therein except as otherwise provided in this subchapter. New membership in the tribe shall thereafter be controlled and determined by the constitution and bylaws of the tribe and ordinances enacted thereunder.

(Aug. 27, 1954, ch. 1009, § 5, 68 Stat. 868; Aug. 2, 1956, ch. 880, § 1, 70 Stat. 936.)

AMENDMENTS

1956—Act Aug. 2, 1956, provided for control and determination of new membership in the tribe in accordance with the constitution and bylaws of the tribe and ordinances enacted thereunder.

§ 677e. Organization of mixed-blood members; constitution and bylaws; representatives; actions in absence of organization

The mixed-blood members of the tribe, including those residing on and off the reservation, shall have the right to organize for their common welfare, and may adopt an appropriate constitution and bylaws which shall become effective when ratified by a majority vote of the adult mixed-blood members of the tribe at a special election authorized and called by the Secretary under such rules and regulations as he may prescribe. Such constitution may provide for the selection of authorized representatives who shall have power to take any action that is required by this subchapter to be taken by the mixed-blood members as a group: *Provided*, That nothing herein contained shall be construed as requiring said mixed-blood Indians to so organize if such organization is by them deemed unnecessary. In the event no such approved organization is effected, any action taken by the adult mixed-blood members, by majority vote, whether in public meeting or by referendum, but in ei-

ther event, after such notice as may be prescribed by the Secretary, shall be binding upon said mixed-blood members of the tribe for the purposes of this subchapter.

(Aug. 27, 1954, ch. 1009, § 6, 68 Stat. 868.)

§ 677f. Employment of legal counsel for mixed-blood members; fees

The mixed-blood members of the tribe as a group may employ legal counsel to accomplish the legal work required on behalf of said group under the terms of this subchapter, and for any other purpose by them deemed necessary or desirable; the choice of counsel and fixing of fees to be subject to the approval of the Secretary until Federal supervision over all of the members of said group and their property is terminated in the manner provided in section 677o of this title.

(Aug. 27, 1954, ch. 1009, § 7, 68 Stat. 869.)

§ 677g. Membership rolls of full-blood and mixed-blood members; preparation and initial publication; appeal from inclusion or omission from rolls; finality of determination; final publication; inheritable interest; future membership

The tribe shall have a period of thirty days from August 27, 1954 in which to prepare and submit to the Secretary a proposed roll of the full-blood members of the tribe, and a proposed roll of the mixed-blood members of the tribe, living on August 27, 1954. If the tribe fails to submit such proposed rolls within the time specified in this subchapter, the Secretary shall prepare such proposed rolls for the tribe. Said proposed rolls shall be published in the Federal Register, and in a newspaper of general circulation in each of the counties of Uintah and Duchesne in the State of Utah. Any person claiming membership rights in the tribe, or an interest in its assets, or a representative of the Secretary on behalf of any such person, within sixty days from the date of publication in the Federal Register, or in either of the papers of general circulation, as hereinbefore provided, whichever publication date is last, may file an appeal with the Secretary contesting the inclusion or omission of the name of any person on or from either of such proposed rolls. The Secretary shall review such appeals and his decisions thereon shall be final and conclusive. After disposition of all such appeals to the Secretary, and after all transfers have been made pursuant to section 677c of this title the roll of the full-blood members of the tribe, and the roll of the mixed-blood members of the tribe, shall be published in the Federal Register, and such rolls shall be final for the purposes of this subchapter, but said sections shall not be construed as granting any inheritable interest in tribal assets to full-blood members of the tribe or as preventing future membership in the tribe, after August 27, 1954, in the manner provided in the constitution and bylaws of the tribe.

(Aug. 27, 1954, ch. 1009, § 8, 68 Stat. 869; Aug. 2, 1956, ch. 880, § 2, 70 Stat. 936.)

AMENDMENTS

1956—Act Aug. 2, 1956, prohibited constructions of this subchapter granting inheritable interest in tribal

assets to full-blood members of the tribe or preventing future membership in the tribe in accordance with its constitution and bylaws.

§ 677h. Sale or other disposition of certain described lands; funds; relief of United States from liability; assigned lands

The business committee of the tribe for and on behalf of the full-blood members of said tribe, and the duly authorized representatives for the mixed-blood members of said tribe, acting jointly, are authorized, subject to the approval of the Secretary, to sell, exchange, dispose of, and convey to any purchaser deemed satisfactory to said committee and representatives, any or all of the lands of said tribe described as follows, to wit:

All such sales, exchanges, or other dispositions shall be made upon such terms as said committee and said authorized representatives shall deem satisfactory and may be made pursuant to bids or at private sale, and all funds or other property derived from such sales, exchanges, or other dispositions shall be subject to the terms of this subchapter. Consent by the tribal business committee and said authorized representatives to the sale, exchange, or other disposal of the lands herein described shall relieve the United States of any liability resulting from such sale, exchange, or other disposition. The tribal business committee and said authorized representatives are further authorized to sell or dispose of tribal assigned lands to the assignees thereof under such terms and conditions as may be agreed upon by the said tribal business committee and said authorized representatives with the assignees, subject, however, to the approval of the Secretary.

§ 677i. Division of assets; basis; prior alienation or encumbrance; partition by Secretary upon nonagreement; assistance; management of claims and rights; division of net proceeds; applicability of usual processes of the law to originally owned stock of corporate representative and to corporate distributions

The tribal business committee representing the full-blood group, and the authorized representatives of the mixed-blood group, within sixty days after the publication of the final membership roll, as provided in section 677g of this title, shall commence a division of the assets of the tribe that are then susceptible to equitable and practicable distribution. Such division shall be by agreement between them subject to the approval of the Secretary. Said division shall be based upon the relative number of persons comprising the final membership roll of each group. After such division the rights or beneficial interests in tribal property of each mixed-blood person whose name appears on the roll shall constitute an undivided interest in and to such property which may be inherited or bequeathed, but shall be subject to alienation or encumbrance before the transfer of title to such tribal property only as provided herein. Any contract made in violation of this section shall be null and void. If said groups are unable to agree upon said division within a period of twelve months from the date of such commencement, or any authorized extension of said period granted within the discretion of the Secretary, the Secretary is authorized to partition the assets of the tribe in such manner as in his opinion will be equitable and fair to both groups. Such

partition shall give rise to no cause of action against the United States and the costs of such partition shall be paid by the tribe. The Secretary is authorized to provide such reasonable assistance as may be requested by both groups, or by either group, in formulation and execution of a plan for the division of said assets, including necessary technical services of Government employees at Fort Duchesne, Utah, and arranging for necessary consultations with representatives of Federal departments and agencies, officials of the State of Utah, and political subdivisions thereof, and members of the tribe. All unadjudicated or unliquidated claims against the United States, all gas, oil, and mineral rights of every kind, and all other assets not susceptible to equitable and practicable distribution shall be managed jointly by the Tribal Business Committee and the authorized representatives of the mixed-blood group, subject to such supervision by the Secretary as is otherwise required by law, and the net proceeds therefrom after deducting the costs chargeable to such management shall first be divided between the full-blood and mixed-blood groups in direct proportion to the number of persons comprising the final membership roll of each group and without regard to the number of persons comprising each group at the time of the division of such proceeds.

The stock of any corporation organized by the mixed-blood group for the purpose of empowering the officers of such corporation to act as the authorized representatives of said mixed-blood group in the joint management with the tribe and in the distribution and¹ unadjudicated or unliquidated claims against the United States, all gas, oil, and mineral rights of every kind, and all other assets not susceptible to equitable and practicable distribution shall not be subject to mortgage, pledge, hypothecation, levy, execution, attachment or other similar process, while such stock remains in the ownership of the original stockholder or his heirs or legatees, but the interest of stockholders in any distribution by such corporation shall be subject to the usual processes of the law.

(Aug. 27, 1954, ch. 1009, § 10, 68 Stat. 873; Pub. L. 87-698, Sept. 25, 1962, 76 Stat. 597.)

After such termination of Federal supervision, per capita payments to the mixed-blood group shall not be subject to approval of the Secretary.

Any other division, partition or distribution of property to any individual mixed-blood member made pursuant to this subchapter shall be subject to a mortgage to be made in favor of the tribe securing the payment of all sums of money owed by him to the tribe on the date of such division, partition or distribution to such individual mixed-blood member. The Secretary shall require the execution of any mortgage required under this section as a condition to any such division, partition or distribution.

§ 677l. Distribution to individual members of mixed-blood group; preparation and approval of plan; assistance; provisions permitted in plan

After the adoption of a plan for the division of the assets between the two groups, a plan for distribution of the assets of the mixed-blood group to the individual members thereof shall be prepared and ratified by a majority of said group, within the period of six months from such adoption and presented to the Secretary for approval. The Secretary is authorized to provide such reasonable assistance, including necessary technical service of Government employees at Fort Duchesne, Utah, and arranging for necessary consultations with representatives of Federal departments and agencies, officials of

the State of Utah and political subdivisions thereof, as may be required by the mixed-blood group in the preparation of such plan.

The plan for division of the assets among the members of the mixed-blood group may include:

(1) Complete disposition of all cash assets of said group, reserving, however, sufficient funds to cover—

(i) the proportionate share of said mixed-blood group in and to all expenses incurred in effecting the purposes of this subchapter, including, but not limited to, the necessary expense incurred under this section and section 677m of this title;

(ii) the just and proportionate share of the mixed-bloods in the expense incurred in the prosecution of the claims of the tribe, or the bands thereof, against the United States; and

(iii) the determinable and estimated administrative costs and expenses of any mixed-blood organization authorized by this subchapter, including lawful and reasonable salaries and fees of authorized agents, officers and employees of said mixed-blood group.

(2) Partition of the lands of the mixed-blood group, excepting all gas, oil, and mineral rights, to corporations, partnerships, or other legal entities, and to trustees, and the individual members of said groups, quality and quantity relatively considered, according to the respective rights and interests of the parties, located so as to embrace, as far as practicable, any improvements lawfully made by the person or persons receiving such land. The value of the improvements made, under a valid lease or assignment from the tribe, shall be excluded from the valuation in making allotments to the lessee or assignee, and the land must be valued without regard to such improvements unless the lease or assignment, under which said improvements were made, provided that such improvements should become the property of the tribe. In the making of any partition due consideration shall be given to all of the rights and interests of the person or persons receiving the property, and all of the rights and interests of the other members of the tribe. Two or more of the members of said mixed-blood group may obtain their share of property as tenants in common, as joint tenants, or in any other lawful manner when such members agree among themselves as to the manner in which they desire to receive such title. When it appears that an equitable partition cannot be made among the members of said mixed-blood group without prejudice to the rights and interests of some of them, and yet a partition is directed by the group, the members of said group may voluntarily determine compensation to be made by one party to another on account of the inequity. In all cases where equity is agreed upon by the members of said mixed-blood group, such compensatory adjustment among the parties, according to the principles of equity, must be approved by the Secretary. In the event of a failure to agree upon an equitable compensatory adjustment among the parties the Secretary shall make such adjustment and his decision shall be final.

§ 677m. Procedure by Secretary if distribution not completed within seven years from August 27, 1954

In the event all the tribal assets, susceptible to equitable and practicable distribution, distributed to the mixed-blood group under the provisions of section 677i of this title, are not, within seven years from August 27, 1954, distributed to the individual mixed-blood members as contemplated in the plan to be adopted in accordance with the provisions of section 677l of this title, so as to effectively terminate Federal supervision over said assets, then the Secretary shall proceed to make such distribution in a manner, in his discretion, deemed fair and equitable to all members of said group, or convey such assets to a trustee for liquidation and distribution of the net proceeds, or convey such assets to the persons entitled thereto as tenants in common.

(Aug. 27, 1954, ch. 1009, § 14, 68 Stat. 875.)

§ 677n. Disposal by mixed-blood members of their individual interests in tribal assets; requisites and conditions

the tribe, and no sale of any interest, prior to termination of Federal supervision, shall be authorized without such offer to said members of the tribe in such form as may be approved by the Secretary. After termination of Federal supervision the requirement of such offer, in form to be approved by the Secretary, shall be a covenant to run with the land for said ten-year period, and shall be expressly provided in any patent or deed issued prior to the expiration of said period.

When any mixed-blood member of the tribe has received his distributive share of the tribal assets distributed to the mixed-blood group under the provisions of section 677i of this title, whether such distribution is made in part or in whole to a corporation, partnership, or trusteeship in which he is interested, or otherwise, the Secretary is authorized and directed to immediately transfer to him unrestricted control of all other property held in trust for such mixed-blood member by the United States, and shall further remove all restrictions on the sale or encumbrance of trust or restricted property owned by such member of the tribe, and Federal supervision of such member and his property shall thereby be terminated, except as to his remaining interest in tribal property in the form of any unadjudicated or unliquidated claims against the United States, all gas, oil, and mineral rights of every kind, and all other tribal assets not susceptible to equitable and practicable distribution, all of which shall remain subject to the terms of this subchapter, notwithstanding anything contained herein to the contrary.

(b) Partition or sale by Secretary prior to removal of restrictions

Prior to the removal of restrictions in accordance with the provisions of subsection (a) of this section on land owned by more than one person, the Secretary may—

(1) upon request of any of the owners, partition the land and issue to each owner an unrestricted patent or deed for his individual share, unless such owner is a full-blood member of the tribe or other Indian who owns trust or restricted property, in which event a trust patent or restricted deed shall be issued and such trust may be terminated or such restrictions may be removed when the Secretary determines that the need therefor no longer exists;

(2) upon request of any of the owners and a finding by the Secretary that partition of all or any part of the land is not practicable, cause all or any part of the land to be sold at not less than the appraised value thereof and distribute the proceeds of sale to the owners: *Provided*, That before a sale any one or more of the owners may elect to purchase the other interests in the land, or the tribe may elect to purchase the entire interest in the land, at not less than the appraised value thereof.

The plan shall include acquisition of not to exceed a total of fifteen thousand acres of land to be selected from available public, State, or private lands within Beaver, Iron, Millard, Sevier, or Washington Counties, Utah. Upon approval of such plan by the tribal officials elected under the tribal constitution and bylaws adopted pursuant to section 765 of this title, the Secretary shall submit such plan, in the form of proposed legislation, to the Congress.

- (6) the provision of Federal services to the reservation and to the tribe and members of the tribe and the provision of services by the tribe to members of the tribe.

(e) Contents of enlargement plan

Any plan developed under this section for the enlargement of the reservation for the tribe shall provide that—

- (1) the enlargement of the reservation will not grant or restore to the tribe or any member of the tribe any hunting, fishing, or trapping right of any nature, including any indirect or procedural right or advantage, on such addition to the reservation;
- (2) the Secretary shall not accept any real property in trust for the benefit of the tribe or

bands unless such real property is located either within Beaver, Iron, Millard, Sevier, or Washington Counties, State of Utah;

(3) the transfer of any real property to the Secretary in trust for the benefit of the tribe or bands as an addition to the reservation shall be exempt from all Federal, State, and local taxation, and all such real property shall, as of the date of such transfer, be exempt from Federal, State, and local taxation; and

(4) the State of Utah shall exercise civil and criminal jurisdiction with respect to the addition to the reservation and persons on such lands as if it had assumed jurisdiction pursuant to the Act of August 15, 1953 (67 Stat. 588), as amended by the Act of April 11, 1968 (82 Stat. 79), and pursuant to sections 63-36-9 through 63-36-21 of the Utah State Code.

(f) Statement appended to enlargement plan respecting implementation of notification and consultative requirements

The Secretary shall append to the plan a detailed statement describing the manner in which the notification and consultation prescribed by subsection (d) of this section was carried out and shall include any written comments with respect to the enlargement of the reservation for the tribe submitted to the Secretary by State and local officials and other interested parties in the course of such consultation.

SUBCHAPTER XLIII-A—CATAWBA INDIAN
TRIBE OF SOUTH CAROLINA; RESTORA-
TION OF FEDERAL TRUST RELATIONSHIP

**§ 941. Declaration of policy, Congressional find-
ings and purpose**

(a) Findings

The Congress declares and finds that:

(1) It is the policy of the United States to promote tribal self-determination and economic self-sufficiency and to support the resolution of disputes over historical claims through settlements mutually agreed to by Indian and non-Indian parties.

(2) There is pending before the United States District Court for the District of South Carolina a lawsuit disputing ownership of approximately 140,000 acres of land in the State of South Carolina and other rights of the Catawba Indian Tribe under Federal law.

(3) The Catawba Indian Tribe initiated a related lawsuit against the United States in the United States Court of Federal Claims seeking monetary damages.

(4) Some of the significant historical events which have led to the present situation include:

(A) In treaties with the Crown in 1760 and 1763, the Tribe ceded vast portions of its aboriginal territory in the present States of North and South Carolina in return for guarantees of being quietly settled on a 144,000-acre reservation.

(B) The Tribe's district court suit contended that in 1840 the Tribe and the State

entered into an agreement without Federal approval or participation whereby the Tribe ceded its treaty reservation to the State, thereby giving rise to the Tribe's claim that it was dispossessed of its lands in violation of Federal law.

(C) In 1943, the United States entered into an agreement with the Tribe and the State to provide services to the Tribe and its members. The State purchased 3,434 acres of land and conveyed it to the Secretary in trust for the Tribe and the Tribe organized under the Indian Reorganization Act [25 U.S.C. 461 et seq.].

(D) In 1959, when Congress enacted the Catawba Tribe of South Carolina Division of Assets Act (25 U.S.C. 931-938), Federal agents assured the Tribe that if the Tribe would release the Government from its obligation under the 1943 agreement and agree to Federal legislation terminating the Federal trust relationship and liquidating the 1943 reservation, the status of the Tribe's land claim would not be jeopardized by termination.

(E) In 1980, the Tribe initiated Federal court litigation to regain possession of its treaty lands and in 1986, the United States Supreme Court ruled in South Carolina against Catawba Indian Tribe that the 1959 Act resulted in the application of State statutes of limitations to the Tribe's land claim. Two subsequent decisions of the United States Court of Appeals for the Fourth Circuit have held that some portion of the Tribe's claim is barred by State statutes of limitations and that some portion is not barred.

(5) The pendency of these lawsuits has led to substantial economic and social hardship for a large number of landowners, citizens and communities in the State of South Carolina, including the Catawba Indian Tribe. Congress recognizes that if these claims are not resolved, further litigation against tens of thousands of landowners would be likely; that any final resolution of pending disputes through a process of litigation would take many years and entail great expenses to all parties; continue economically and socially damaging controversies; prolong uncertainty as to the ownership of property; and seriously impair long-term economic planning and development for all parties.

(6) The 102d Congress has enacted legislation suspending until October 1, 1993, the running of any unexpired statute of limitation applicable to the Tribe's land claim in order to provide additional time to negotiate settlement of these claims.

(7) It is recognized that both Indian and non-Indian parties enter into this settlement to resolve the disputes raised in these lawsuits and to derive certain benefits. The parties' Settlement Agreement constitutes a good faith effort to resolve these lawsuits and other claims and requires implementing legislation by the Congress of the United States, the General Assembly of the State of South Carolina, and the governing bodies of the South Carolina counties of York and Lancaster.

(8) To advance the goals of the Federal policy of Indian self-determination and restoration of terminated Indian Tribes, and in recognition of the United States obligation to the Tribe and the Federal policy of settling historical Indian claims through comprehensive settlement agreements, it is appropriate that the United States participate in the funding and implementation of the Settlement Agreement.

(b) Purpose

It is the purpose of this subchapter—

(1) to approve, ratify, and confirm the Settlement Agreement entered into by the non-Indian settlement parties and the Tribe, except as otherwise provided by this subchapter;

(2) to authorize and direct the Secretary to implement the terms of such Settlement Agreement;

(3) to authorize the actions and appropriations necessary to implement the provisions of the Settlement Agreement and this subchapter;

(4) to remove the cloud on titles in the State of South Carolina resulting from the Tribe's land claim; and

(5) to restore the trust relationship between the Tribe and the United States.

(d) Nonpayment of State, local, or private contributions

The Secretary shall not be accountable or incur any liability for the collection, deposit, or management of the non-Federal contributions made pursuant to section 5.2 of the Settlement Agreement, or payment of such funds pursuant to section 941d(g) of this title, until such time as such funds are received by the Secretary.

§ 941d. Ratification of prior transfers; extinguishment of aboriginal title, rights and claims

(a) Ratification of transfers

Any transfer of land or natural resources located anywhere within the United States from, by, or on behalf of the Tribe, any one or more of its Members, or anyone purporting to be a Member, including but without limitation any transfer pursuant to any treaty, compact, or statute of any State, shall be deemed to have been made in accordance with the Constitution and all laws of the United States, and Congress hereby approves and ratifies any such transfer effective as of the date of such transfer. Nothing in this section shall be construed to affect, eliminate, or revive the personal claim of any individual Member (except for any Federal common law fraud claim) which is pursued under any law of general applicability that protects non-Indians as well as Indians.

(b) Aboriginal title

To the extent that any transfer of land or natural resources described in subsection (a) of this section may involve land or natural resources to which the Tribe, any of its Members, or anyone purporting to be a Member, or any other Indian, Indian nation, or Tribe or band of Indians had aboriginal title, subsection (a) of this section shall be regarded as an extinguishment of aboriginal title as of the date of such transfer.

(c) Extinguishment of claims

By virtue of the approval and ratification of any transfer of land or natural resources effected by this section, or the extinguishment of aboriginal title effected thereby, all claims against the United States, any State or subdivision thereof, or any other person or entity, by the Tribe, any of its Members, or anyone purporting to be a Member, or any predecessors or successors in interest thereof or any other Indian, Indian Nation, or tribe or band of Indians, arising at the time of or subsequent to the transfer and based on any interest in or right involving such land or natural resources, including without limitation claims for trespass damages or claims for use and occupancy, shall be deemed extinguished as of the date of the transfer.

(d) Extinguishment of title

(1) All claims and all right, title, and interest that the Tribe, its Members, or any person or group of persons purporting to be Catawba Indians may have to aboriginal title, recognized title, or title by grant, patent, or treaty to the lands located anywhere in the United States are hereby extinguished.

(2) This extinguishment of claims shall also extinguish title to any hunting, fishing, or

water rights or rights to any other natural resource claimed by the Tribe or a Member based on aboriginal or treaty recognized title, and all trespass damages and other damages associated with use, occupancy or possession, or entry upon such lands.

(e) Bar to future claims

The United States is hereby barred from asserting by or on behalf of the Tribe or any of its Members, or anyone purporting to be a Member, any claim arising before the effective date of this subchapter from the transfer of any land or natural resources by deed or other grant, or by treaty, compact, or act of law, on the grounds that such transfer was not made in accordance with the laws of South Carolina or the Constitution or laws of the United States.

(f) No derogation of fee simple in Existing Reservation, or effect on Members' fee interests

Nothing in this subchapter shall be construed to diminish or derogate from the Tribe's estate in the Existing Reservation; or to divest or disturb title in any land conveyed to any person or entity as a result of the Termination Act and the liquidation and partition of tribal lands; or to divest or disturb the right, title and interest of any Member in any fee simple, leasehold or remainder estate or any equitable or beneficial right or interest any such Member may own individually and not as a Member of the Tribe.

(g) Costs and attorneys' fees

The parties to the Suits shall bear their own costs and attorneys' fees. As provided by section 6.4 of the Settlement Agreement, the Secretary shall pay to the Tribe's attorneys in the Suits attorneys' fees and expenses from, and not to exceed 10 percent of, the \$50,000,000 obligated for payment to the Tribe by Federal, State, local, and private parties pursuant to section 5 of the Settlement Agreement.

(h) Personal claims not affected

Nothing in this section shall be deemed to affect, diminish, or eliminate the personal claim of any individual Indian which is pursued under any law of general applicability (other than Federal common law fraud) that protects non-Indians as well as Indians.

(i) Federal payment

In the event any of the Federal payments are not paid as set forth in section 941c of this title, such failure to pay shall give rise to a cause of action by the Tribe against the United States for money damages for the amount authorized to be paid to the Tribe in section 941c(a) of this title in settlement of the Tribe's claim, and the Tribe is authorized to bring an action in the United States Court of Claims for such funds plus applicable interest. The United States hereby waives any affirmative defense to such action.

(j) State payment

In the event any of the State payments are not paid as set forth in section 941c of this title, such failure to pay shall give rise to a cause of action in the United States District Court for the District of South Carolina by the Tribe against the State of South Carolina for money

damages for the amount authorized to be paid to the Tribe by the State in §27-16-50(A) of the State Act in settlement of the Tribe's claim. Pursuant to §27-16-50(E) of the State Act, the State of South Carolina waives any Eleventh Amendment immunity to such action.

The Executive Committee shall review such appeals and render a decision, subject to the Secretary's approval. If the Executive Committee and the Secretary disagree, the Secretary's decision will be final. All such appeals shall be resolved within 90 days following publication of the proposed roll. The final base membership roll of the Tribe shall then be published in the Federal Register, and in three newspapers of general circulation in the Tribe's service area, and shall be final for purposes of the distribution of funds from the Per Capita Trust Fund established under section 941i(h) of this title.

Such new proposed constitution and bylaws shall be distributed to the eligible voters of the Tribe no later than 180 days after the date of the election in which the first proposed constitution and bylaws failed of adoption. § 941i. Tribal trust funds

(a) Purposes of trust funds

All funds paid pursuant to section 941c of this title, except for payments made pursuant to section 941d(g) of this title, shall be deposited with the Secretary in trust for the benefit of the Tribe. Separate trust funds shall be established

for the following purposes: economic development, land acquisition, education, social services and elderly assistance, and per capita payments. Except as provided in this section, the Tribe, in consultation with the Secretary, shall determine the share of settlement payments to be deposited in each Trust Fund, and define, consistently with the provisions of this section, the purposes of each Trust Fund and provisions for administering each, specifically including provisions for periodic distribution of current and accumulated income, and for invasion and restoration of principal.

(b) Outside management option

(1) The Tribe, in consultation with and subject to the approval of the Secretary, as set forth in this section, is authorized to place any of the Trust Funds under professional management, outside the Department of the Interior.

(2) If the Tribe elects to place any of the Trust Funds under professional management outside the Department of the Interior, it may engage a consulting or advisory firm to assist in the selection of an independent professional investment management firm, and it shall engage, with the approval of the Secretary, an independent investment management firm of proven competence and experience established in the business of counseling large endowments, trusts, or pension funds.

(3) The Secretary shall have 45 days to approve or reject any independent investment management firm selected by the Tribe. If the Secretary fails to approve or reject the firm selected by the Tribe within 45 days, the investment management firm selected by the Tribe shall be deemed to have been approved by the Secretary.

(4) Secretarial approval of an investment management firm shall not be unreasonably withheld, and any Secretarial disapproval of an investment management firm shall be accompanied by a detailed explanation setting forth the Secretary's reasons for such disapproval.

(5)(A) For funds placed under professional management, the Tribe, in consultation with the Secretary and its investment manager, shall develop—

(i) current operating and long-term capital budgets; and

(ii) a plan for managing, investing, and distributing income and principal from the Trust Funds to match the requirements of the Tribe's operating and capital budgets.

(B) For each Trust Fund which the Tribe elects to place under outside professional management, the investment plan shall provide for investment of Trust Fund assets so as to serve the purposes described in this section and in the Trust Fund provisions which the Tribe shall establish in consultation with the Secretary and the independent investment management firm.

(C) Distributions from each Trust Fund shall not exceed the limits on the use of principal and income imposed by the applicable provisions of this subchapter for that particular Trust Fund.

(D)(i) The Tribe's investment management plan shall not become effective until approved by the Secretary.

(ii) Upon submission of the plan by the Tribe to the Secretary for approval, the Secretary

shall have 45 days to approve or reject the plan. If the Secretary fails to approve or disapprove the plan within 45 days, the plan shall be deemed to have been approved by the Secretary and shall become effective immediately.

(iii) Secretarial approval of the plan shall not be unreasonably withheld and any secretarial rejection of the plan shall be accompanied by a detailed explanation setting forth the Secretary's reasons for rejecting the plan.

(E) Until the selection of an established investment management firm of proven competence and experience, the Tribe shall rely on the management, investment, and administration of the Trust Funds by the Secretary pursuant to the provisions of this section.

(c) Transfer of trust funds; exculpation of Secretary

Upon the Secretary's approval of the Tribe's investment management firm and an investment management plan, all funds previously deposited in trust funds held by the Secretary and all funds subsequently paid into the trust funds, which are chosen for outside management, shall be transferred to the accounts established by an investment management firm in accordance with the approved investment management plan. The Secretary shall be exculpated by the Tribe from liability for any loss of principal or interest resulting from investment decisions made by the investment management firm. Any Trust Fund transferred to an investment management firm shall be returned to the Secretary upon written request of the Tribe, and the Secretary shall manage such funds for the benefit of the Tribe.

(d) Land Acquisition Trust

(1) The Secretary shall establish and maintain a Catawba Land Acquisition Trust Fund, and until the Tribe engages an outside firm for investment management of this trust fund, the Secretary shall manage, invest, and administer this trust fund. The original principal amount of the Land Acquisition Trust Fund shall be determined by the Tribe in consultation with the Secretary.

(2) The principal and income of the Land Acquisition Trust Fund may be used for the purchase and development of Reservation and non-Reservation land pursuant to the Settlement Agreement, costs related to land acquisition, and costs of construction of infrastructure and development of the Reservation and non-Reservation land.

(3)(A) Upon acquisition of the maximum amount of land allowed for expansion of the Reservation, or upon request of the Tribe and approval of the Secretary pursuant to the Secretarial approval provisions set forth in subsection (b)(5)(D) of this section, all or part of the balance of this trust fund may be merged into one or more of the Economic Development Trust Fund, the Education Trust Fund, or the Social Services and Elderly Assistance Trust Fund.

(B) Alternatively, at the Tribe's election, the Land Acquisition Trust Fund may remain in existence after all the Reservation land is purchased in order to pay for the purchase of non-Reservation land.

(4)(A) The Tribe may pledge or hypothecate the income and principal of the Land Acquisi-

tion Trust Fund to secure loans for the purchase of Reservation and non-Reservation lands.

(B) Following the effective date of this subchapter and before the final annual disbursement is made as provided in section 941c of this title, the Tribe may pledge or hypothecate up to 50 percent of the unpaid annual installments required to be paid to this Trust Fund, the Economic Development Trust Fund and the Social Services and Elderly Assistance Trust Fund by section 941c of this title and by section 5 of the Settlement Agreement, to secure loans to finance the acquisition of Reservation or non-Reservation land or infrastructure improvements on such lands.

(e) Economic Development Trust

(1) The Secretary shall establish and maintain a Catawba Economic Development Trust Fund, and until the Tribe engages an outside firm for investment management of this Trust Fund, the Secretary shall manage, invest, and administer this Trust Fund. (2) The Tribe, in consultation with the Secretary, may pledge or hypothecate future income and up to 50 percent of the principal of this Trust Fund to secure loans for economic development. In defining the provisions for administration of this Trust Fund, and before pledging or hypothecating future income or principal, the Tribe and the Secretary shall agree on rules and standards for the invasion of principal and for repayment or restoration of principal, which shall encourage preservation of principal, and provide that, if feasible, a portion of all profits derived from activities funded by principal be applied to repayment of the Trust Fund.

(3) Following the effective date of this subchapter and before the final annual disbursement is made as provided in section 941c of this title, the Tribe may pledge or hypothecate up to 50 percent of the unpaid annual installments required to be paid by section 941c of this title and by section 5 of the Settlement Agreement to secure loans to finance economic development activities of the Tribe, including (but not limited to) infrastructure improvements on Reservation and non-Reservation lands.

(4) If the Tribe develops sound lending guidelines approved by the Secretary, a portion of the income from this Trust Fund may also be used to fund a revolving credit account for loans to support tribal businesses or business enterprises of tribal members.

(f) Education Trust

The Secretary shall establish and maintain a Catawba Education Trust Fund, and until the Tribe engages an outside firm for investment management of this Trust Fund, the Secretary shall manage, invest, and administer this Trust Fund. The original principal amount of this Trust Fund shall be determined by the Tribe in consultation with the Secretary; subject to the

requirement that upon completion of all payments into the Trust Funds, an amount equal to at least $\frac{1}{3}$ of all State, local, and private contributions made pursuant to the Settlement Agreement shall have been paid into the Education Trust Fund. The original principal amount of this Trust Fund shall be determined by the Tribe in consultation with the Secretary.

(2) The income of this Trust Fund shall be periodically distributed to the Tribe to support social services programs, including (but not limited to) housing, care of elderly, or physically or mentally disabled Members, child care, supplemental health care, education, cultural preservation, burial and cemetery maintenance, and operation of tribal government.

(3) The Tribe, in consultation with the Secretary, shall establish eligibility criteria and procedures to carry out this subsection.

(4)(A) Subject to the provisions of this paragraph, each enrolled member¹ who has reached the age of 21 years on the date the final roll is published shall receive the payment on the date of distribution, which shall be as soon as practicable after date of publication of the final base membership roll. (B) The pro rata share of such Members who elect not to withdraw their payment from this Trust Fund shall be managed, invested and administered, together with the funds of members¹ who have not attained the age of 21 years on the date the final base membership roll is published, until such Member requests in writing that their pro rata share be distributed, at which time such Member's pro rata share shall be paid, together with the net income of the Trust Fund allocable to such Member's share as of the date of distribution.

(C) No Member may elect to have their pro rata share retained and managed by this Trust Fund beyond the expiration of the period of 21 years after the date of publication of the final base membership roll.

(6) After payments have been made to all Members entitled to receive payments, this Trust Fund shall terminate, and any balance remaining in this Trust Fund shall be merged into the Economic Development Trust Fund, the Education Trust Fund, or the Social Services and Elderly Assistance Trust Fund, as the Tribe may determine.

(i) Duration of trust funds

Subject to the provisions of this section and with the exception of the Catawba Per Capita Payment Trust Fund, the Trust Funds established in accordance with this section shall continue in existence so long as the Tribe exists and is recognized by the United States. (4) The Secretary shall bear the cost of all title examinations, preliminary subsurface soil investigations, and level one environmental audits to be performed on each parcel contemplated for purchase by the Tribe or the Secretary for the Expanded Reservation, and shall report the results to the Tribe. The Secretary's or the Tribe's payment of any option fee and the purchase price may be drawn from the Catawba Land Acquisition Trust Fund.

(5) The total area of the Expanded Reservation shall be limited to 3,000 acres, including the Existing Reservation, but the Tribe may exclude from this limit up to 600 acres of additional land under the conditions set forth in the Settlement Agreement. The Tribe may seek to have the permissible area of the Expanded Reservation enlarged by an additional 600 acres as set forth in the Settlement Agreement.

(6) All lands acquired for the Expanded Reservation may be held in trust together with the Existing Reservation which the State is to convey to the United States.

(7) Nothing in this subchapter shall prohibit the Secretary from providing technical and financial assistance to the Tribe to fulfill the purposes of this section.

(2)(A) The Tribe, with the approval of the Secretary, shall have the power to grant or convey easements and rights-of-way, in a manner consistent with the Settlement Agreement.

(referred to in this section as the ‘Act’) was intended to provide for a reasonable degree of equalization of the value of

allotments made to members of the Agua Caliente Band of Cahuilla Indians;

“(2) the Act was enacted in response to litigation in Federal courts in Segundo, et al. v. United States, 123 F. Supp. 554 (1954);

“(3) the case referred to in paragraph (2) was appealed under the case name United States v. Pierce, 235 F. 2d 885 (1956) and that case affirmed the entitlement of certain members of the Band to allotments of approximately equal value to lands allotted to other members of the Band;

“(4)(A) to achieve the equalization referred to in paragraph (3), section 3 of the Act (25 U.S.C. 953) provided for the allotment or sale of all remaining tribal lands, with the exception of several specifically designated parcels, including 2 parcels in the Mineral Springs area known as parcel A and parcel B;

“(B) section 3 of the Act restricted the distribution of any net rents, profits, or other revenues derived from parcel B to members of the Band and their heirs entitled to equalization of the value of the allotments of those members;

“(D) as a result of the annual budgets referred to in subparagraph (C), no net revenues from parcel B were available for distribution to tribal members entitled to equalization under section 3 of the Act referred to in paragraph (1);

“(5) by letter of December 6, 1961, the Director of the Sacramento Area Office of the Bureau of Indian Affairs informed the regional solicitor of the Bureau of Indian Affairs that the equalization of allotments on the Agua Caliente Reservation with respect to those members of the Band who were eligible for equalization had been completed using all available excess tribal land in a manner consistent with—

“(A) the decree of the court in the case referred to in paragraph (2); and

“(B) the Act;

“(6) in 1968, the files of the Department of the Interior with respect to the case referred to in paragraph (3), the closure of which was contingent upon completion of the equalization program, were retired to the Federal Record Center, where they were subsequently destroyed;

“(7) on March 16, 1983, the Secretary of the Interior published notice in the Federal Register that full equalization had been achieved within the meaning of section 7 of the Act (25 U.S.C. 957);

“(8) section 7 of the Act states that ‘allotments in accordance with the provisions of this Act shall be deemed complete and full equalization of allotments on the Agua Caliente Reservation’; and

“(9) the regulations governing the equalization of allotments under the Act referred to in paragraph (1) were rescinded by the Secretary, effective March 31, 1983.

The Secretary shall determine on the basis of the contract appraisals that were made in 1957 and 1958 (1) the value of all unallotted tribal land, and (2) the value of the allotment of each allottee who is living on September 21, 1959, excluding the value of any improvements thereon. Where lands of a living allottee have been sold under the supervision of the Secretary, their value for the purpose of equalization shall be the amount received from such sale, excluding the value assigned to any improvements thereon. Where lands of a living allottee have been fee patented to and sold by the allottee, their value for the purpose of equalization shall be the appraised value of the lands, excluding improvements, as of the time of the sale, regardless of the amount received from the sale. The allotments of allottees who are not living on September 21, 1959 shall be excluded from the equalization program. All values so determined by the

Secretary shall be final and conclusive for the purposes of this subchapter.

Such unallotted tribal land shall then be allotted to those members who have received allotments with a value that is less than the equalization figure deemed feasible in accordance with procedures prescribed by the Secretary. No selection of an allotment pursuant to such procedures shall create a vested right in the land until all selections authorized by this subchapter have been made, included in one schedule, and approved by the Secretary. Allotments thereafter made shall be subject to the same laws and regulations that apply to other trust allotments on the Agua Caliente Reservation.

(d) Portions in airport subject to allotment unless sold; procedure for sale; payment of sale proceeds in lieu of allotment

The provisions of this subsection shall not preclude any such person, in his private capacity, from participating in the management or disposition of such property or interest therein with the specific approval of the Secretary of the Interior. If any person or entity required to do so by the Secretary fails or refuses to so report, or, if having reported, the Secretary concludes that any action connected therewith is fraudulent, or capricious or arbitrary or so grossly erroneous as necessarily to imply bad faith, he may request the Attorney General to cause an action to be brought in the name of the United States in the United States District Court for the Central District of California or in any such district court having jurisdiction over the person, or persons, and subject matter, for such relief as may be appropriate, and said courts are hereby granted jurisdiction to hear and determine such action.

Under such regulations as he shall provide, and with the consent of the individual Indian concerned, unless the Secretary determines such Indian to be incompetent by reason of minority or otherwise, in which case such consent shall not be required, the Secretary may use, advance, expend, exchange, deposit, dispose of, invest and reinvest, in any manner and for any purpose, any money or other property held by the United States in trust for such Indian. The Secretary shall make no determination that an adult Indian is incompetent except after according him an opportunity to be heard upon reasonable notice, in accordance with the provisions of subchapter II of chapter 5 of title 5. Unless the Indian otherwise agrees, the hearing shall be held in the State of California within sixty days of the date of notice. A person aggrieved by a determination of incompetency made by the Secretary shall be entitled to judicial review of such determination in accordance with sections 701 to 706 of title 5.

(Pub. L. 87-629, §1, Sept. 5, 1962, 76 Stat. 429.)

SUBCHAPTER LXXIII-A—TEXAS BAND OF KICKAPOO INDIANS

§ 1300b-11. Congressional findings and declaration of policy

(a) Findings

Congress finds that the Texas Band of Kickapoo Indians is a subgroup of the Kickapoo

Tribe of Oklahoma; that many years ago, the Band was forced to migrate from its ancestral lands to what is now the State of Texas and the nation of Mexico; that, although many members of the band¹ meet the requirements for United States citizenship, some of them cannot prove that they are United States citizens; that, although the Band resides in the State of Texas, it owns no land there; that, because the Band owns no land in Texas, members of the Band are considered ineligible for services which the United States provides to other Indians who are members of federally recognized tribes because of their status as Indians except when the members of the Band are on or near the reservation of the Kickapoo Tribe of Oklahoma; that members of the Band live under conditions that pose serious threats to their health; and that, because their culture is derived from three different cultures, they have unique needs including, especially, educational needs.

(b) Declarations

Congress therefore declares that the Band should be recognized by the United States; that the right of the members of the Band to pass and repass the borders of the United States should be clarified; that services which the United States provides to Indians because of their status as Indians should be provided to members of the Band in Maverick County, Texas; and, that land in the State of Texas should be taken in trust by the United States for the benefit of the Band.

(Pub. L. 97-429, §2, Jan. 8, 1983, 96 Stat. 2269.)

§ 1300h. Congressional findings

Congress finds that—

(1) the Lac Vieux Desert Band of Lake Superior Chippewa Indians, although currently recognized by the Federal Government as part of the Keweenaw Bay Indian Community, has historically existed, and continues to exist, as a separate and distinct Indian tribe that is located over 75 miles from the Keweenaw Bay Indian Community;

(2) the Lac Vieux Desert Band consists of approximately 250 members who continue to reside close to their ancestral homeland near the town of Watersmeet, Michigan;

(3) the Lac Vieux Desert Band entered into two treaties with the United States as a distinct tribal entity (7 Stat. 591, 10 Stat. 1109);

(4) members of the Lac Vieux Desert Band currently reside on or otherwise occupy lands within the Township of Watersmeet, Michigan, which are held by the United States in trust for the Keweenaw Bay Indian Community, and currently receive limited Federal benefits through the Keweenaw Bay Indian Community; and

(5) because of its distance from Keweenaw Bay and the failure of the United States to recognize the independent status of the tribe, the Lac Vieux Desert Band and its members receive only limited benefits to which the tribe and its members are entitled.

SUBCHAPTER LXXXI—POKAGON BAND OF POTAWATOMI INDIANS

§ 1300j. Findings

The Congress finds the following:

(1) The Pokagon Band of Potawatomi Indians is the descendant of, and political successor to, the signatories of the Treaty of Green-

ville 1795 (7 Stat. 49); the Treaty of Grouseland 1805 (7 Stat. 91); the Treaty of Spring Wells 1815 (7 Stat. 131); the Treaty of the Rapids of the Miami of Lake Erie 1817 (7 Stat. 160); the Treaty of St. Mary's 1818 (7 Stat. 185); the Treaty of Chicago 1821 (7 Stat. 218); the Treaty of the Mississinewa on the Wabash 1826 (7 Stat. 295); the Treaty of St. Joseph 1827 (7 Stat. 305); the Treaty of St. Joseph 1828 (7 Stat. 317); the Treaty of Tippecanoe River 1832 (7 Stat. 399); and the Treaty of Chicago 1833 (7 Stat. 431).

(2) In the Treaty of Chicago 1833, the Pokagon Band of Potawatomi Indians was the only band that negotiated a right to remain in Michigan. The other Potawatomi bands relinquished all lands in Michigan and were required to move to Kansas or Iowa.

(3) Two of the Potawatomi bands later returned to the Great Lakes area, the Forest County Potawatomi of Wisconsin and the Hannahville Indian Community of Michigan.

(4) The Hannahville Indian Community of Michigan, the Forest County Potawatomi Community of Wisconsin, the Prairie Band of Potawatomi Indians of Kansas, and the Citizen Band Potawatomi Indian Tribe of Oklahoma, whose members are also descendants of the signatories to one or more of the aforementioned treaties, have been recognized by the Federal Government as Indian tribes eligible to receive services from the Secretary of the Interior.

(5) Beginning in 1935, the Pokagon Band of Potawatomi Indians petitioned for reorganization and assistance pursuant to the Act of June 18, 1934 (25 U.S.C. 461 et seq., commonly referred to as the “Indian Reorganization Act”). Because of the financial condition of the Federal Government during the Great Depression it relied upon the State of Michigan to provide services to the Pokagon Band. Other Potawatomi bands, including the Forest County Potawatomi and the Hannahville Indian Community were provided services pursuant to the Indian Reorganization Act.

(6) Agents of the Federal Government in 1939 made an administrative decision not to provide services or extend the benefits of the Indian Reorganization Act [25 U.S.C. 461 et seq.] to any Indian tribes in Michigan's lower peninsula.

(7) Tribes elsewhere, including the Hannahville Indian Community in Michigan's upper peninsula, received services from the Federal Government and were extended the benefits of the Indian Reorganization Act [25 U.S.C. 461 et seq.].

(8) The Pokagon Band of Potawatomi Indians consists of at least 1,500 members who continue to reside close to their ancestral homeland in the St. Joseph River Valley in southwestern Michigan and northern Indiana.

(9) In spite of the denial of the right to organize under the Indian Reorganization Act [25 U.S.C. 461 et seq.], the Pokagon Band has continued to carry out its governmental functions through a Business Committee and Tribal Council from treaty times until today.

(10) The United States Government, the government of the State of Michigan, and local governments have had continuous dealings

with the recognized political leaders of the Band from 1795 until the present.

SUBCHAPTER LXXXII—LITTLE TRAVERSE BAY BANDS OF ODAWA INDIANS; LITTLE RIVER BAND OF OTTAWA INDIANS**§ 1300k. Findings**

Congress finds the following:

(1) The Little Traverse Bay Bands of Odawa Indians and the Little River Band of Ottawa Indians are descendants of, and political successors to, signatories of the 1836 Treaty of Washington and the 1855 Treaty of Detroit.

(2) The Grand Traverse Band of Ottawa and Chippewa Indians, the Sault Ste. Marie Tribe of Chippewa Indians, and the Bay Mills Band of Chippewa Indians, whose members are also descendants of the signatories to the 1836 Treaty of Washington and the 1855 Treaty of Detroit, have been recognized by the Federal Government as distinct Indian tribes.

(3) The Little Traverse Bay Bands of Odawa Indians consists of at least 1,000 eligible members who continue to reside close to their ancestral homeland as recognized in the Little Traverse Reservation in the 1836 Treaty of Washington and 1855 Treaty of Detroit, which area is now known as Emmet and Charlevoix Counties, Michigan.

(4) The Little River Band of Ottawa Indians consists of at least 500 eligible members who continue to reside close to their ancestral homeland as recognized in the Manistee Reservation in the 1836 Treaty of Washington and reservation in the 1855 Treaty of Detroit, which area is now known as Manistee and Mason Counties, Michigan.

(5) The Bands filed for reorganization of their existing tribal governments in 1935 under the Act of June 18, 1934 (25 U.S.C. 461 et seq.; commonly referred to as the “Indian Reorganization Act”). Federal agents who visited the Bands, including Commissioner of Indian Affairs, John Collier, attested to the continued social and political existence of the Bands and concluded that the Bands were eligible for reorganization. Due to a lack of Federal appropriations to implement the provisions of such Act, the Bands were denied the opportunity to reorganize.

(6) In spite of such denial, the Bands continued their political and social existence with viable tribal governments. The Bands, along with other Michigan Odawa/Ottawa groups, including the tribes described in paragraph (2), formed the Northern Michigan Ottawa Association in 1948. The Association subsequently pursued a successful land claim with the Indian Claims Commission.

(7) Between 1948 and 1975, the Bands carried out many of their governmental functions through the Northern Michigan Ottawa Association, while retaining individual Band control over local decisions.

(8) In 1975, the Northern Michigan Ottawa Association petitioned under the Act of June 18, 1934 (25 U.S.C. 461 et seq.; commonly referred to as the “Indian Reorganization Act”), to form a government on behalf of the Bands. Again in spite of the Bands’ eligibility, the Bureau of Indian Affairs failed to act on their request.

(9) The United States Government, the government of the State of Michigan, and local

governments have had continuous dealings with the recognized political leaders of the Bands from 1836 to the present.

(Pub. L. 103-324, §2, Sept. 21, 1994, 108 Stat. 2156.)
